Christmas Cake Mixing Ceremony @Radisson

Udaipur: The festive season by organizing the "Christmas Cake Mixing Ceremony" on 7th October 2016. Has begun at Radisson Blu Udaipur Palace Resort & Spa.

The festivities were held at the poolside lawns with much fanfare, décor and music. This was well attended by the hotel staff accompanied by the hotel guests as well as prominent citizens of our city. The added activity was the invitation extended to the needy children to participate in the event.

The actual cake mixing took place with a variety of ingredients like candid ginger, black current, raisen, almond, cashew nut etc along with choicest of wine and alcohol. The mixture would be marinated for approximately 2 months before the same is converted into delicious cakes.

The Executive Chef Shailesh ensured delicious hi-tea was served to all guests present.

IT Tech Fest organized at Pacific University

Udaipur: 'Paci Fest' commenced from Monday in a collaboration with Computer Science department of Faculty of Engineering. In the program, Director Piyush Jaweria of Faculty of Engineering, highlighted the importance of emerging technology in learning and practical knowledge to all the students participating in the event. He also encouraged all students to participate in such events to increase their knowledge of experimental knowledge.

The first day of the event, the special guest was Gaurav Mantri, CEO, Syneptra, briefed the students about latest technology and also informed that in the near future, there is a high possibility of employment in the field of Artificial Intelligence, Analytics and Cloud Computing.

He also inspired the students to become an expert in any technology. Dhananjay Kumar, a trainer from Infragistics provided training based on Java Script and highlighted the importance of Java Script in the employment in multi-national companies. More than 150 Engineering and MCA students participated in the coding competition.

At the end of the competition, Priyanka Talsera and Mohammad Ramzan were awarded the first and second prize. Head of multi-national company Rean Cloud, Managed Services Sanket Daangi briefed about the utility of cloud computing and also briefed about the services provided by Amazon in the field of cloud computing.

BN University Job fair | 48 students selected

Udaipur: 48 students were selected today and taken to the next round in the Job fair organised at BN University today. The job fair was organised by Innovative Business Solutions. 137 students registered and participated in the job fair. Out of these students 48 were selected and invited for the next round. Speaking on the occasion, Col. Manohar Singh Rathore, Director of Career Counseling and Placement cell, BN University said that job fairs play an instrumental role in students getting to their dream jobs. The students hence need to actively participate in job fairs with complete preparation. Col. Rathore informed that the Career Counseling and Placement cell provides assistance to students for preparation of various competitive exams along with preparing them with job selection related competencies.

Singapore to assist Rajasthan in Tourism & Infrastructure

Udaipur: Dr. G.N. Bhatt/Hritu Sodhi/ State inks pacts with Singapore on tourism and Urban Development solutions. With an aim to jointly market Rajasthan as a global tourist destination and provide advanced urban solutions, the Government of Rajasthan and Singapore signed two MOUs in the presence of the Prime Minister of Singapore, Mr. Lee Hsien Loong. The signing of the MOU was witnessed by the Chief Minister Smt. Vasundhara Raje and Minister for Industry for Singapore, Mr. S. Ishwaran. The main agenda is to develop Rajasthan as International tourist destination in the world and Pink city, Jaipur will be recognized on world map as a Smart city. Government of Rajasthan and Singapore will work together to make this happen in future. Singapore will enhance Rajasthan's productivity and economic growth & business creation. On behalf of Government of Rajasthan, Principal Secretary Mukesh Kumar Sharma and on behalf of International Enterprise Singapore, Assistant Chief Executive Officer Tan Soon Kim signed the first MOU. Second MOU was signed by Permanent Secretary Department of tourism Ms. Roli Singh & Chief Executive Officer, Singapore

Cooperation Enterprise, Mr. Kong WY Mun.

Government of Rajasthan has plans to build capacity of DOT and it's related agencies for management of tourism among others. Singapore will share it's expertise and experience with Rajasthan in the areas of tourism and infrastructural development.

One time grant for Tourism program in Rajasthan Temasek Foundation International has approved a one time grant amount of 484,010 S\$ to support the Tourism programme in Rajasthan. This grant will be used in the development of tourism in Rajasthan.

Singapore's expertise for the implementation of strengthening knowledge capabilities in Strategic Tourism department of Pink city, Jaipur, tourism mobility planning, destination marketing and promotion etc. The money under the grant will be applied directly to the programme by SCE as aforesaid. Training programmes will be held in future to build capacity and knowledge of Singapore will be shared for the purpose of growth and development in this sector.

International recognition of Rajasthan Singapore's experience in the development of Rajasthan will bring historical changes in

future. Infrastructural development may give high quality life to the people of Rajasthan. CM Raje said, "Singapore has been a close friend and partner of Rajasthan in infrastructure and tourism development. With these MOUs, we aim to deepen this association and develop the State as a world class, global tourist destination with advanced urban infrastructure."

Foundation of the Centre of Excellence for Tourism Training laid in Udaipur, Prime Minister of Singapore and CM Raje's joint efforts gave boon to Rajasthan.

Thursday became an important day in context to Tourism and Youth Skill Development, when Singapore's Acting Higher Education, Skills

Development and Senior Defence State Minister Mr. Ong E Kung laid the foundation of the newly built 'Centre of Excellence for Tourism Training' in the presence of Singapore's Prime Minister Mr. Lee Hsien Loong and Chief Minister of Rajasthan Mr. Vasundhara Raje. CM Raje and Foreign guests discussed about the agreement between Rajasthan and Singapore which had been done in October 2014 in compliance with this Centre's foundation for state tourism for youth skill development. CM Raje and the guests observed the model of this centre keenly. Labor, Employment and Skill Development Department's Secretary, Mr. Rajat Mishra briefly explained the different

divisions of the model. He also informed about the facilities which will be provided for youth skills development.

During the Skill Rajasthan Program, all the work done by Rajasthan Government which is maintained by a Panel was keenly observed by both CM and prime minister of Singapore. Mr. Loong and CM Raje appreciated the information provided by the panel and the work done by them in the field of skill development of the youth in context to the goal of lifelong learning and diversion. Kalpvriksh, Paras Peepal, Neem Chameli, Neem and Maulshree. Deputy Conservator of Forest, O P Sharma gave brief description about each plant to all the guests.
