Sakka created the world's smallest ash-tray....

Udaipur: (Ritu sodhi) International gold artisanlqbalSakka made world's smallest ash-tray of just 7mm radius and 4mm height in dimension in which a 7mm long skeleton with a 5mm cigarette with a filter was put. This was made up of 23 caret gold and gave an outstanding motive of surrendering smoking. Mr. IqbalSakka made the world's smallest ash-tray with just 0.500 miligram gold, in opposite to the world's biggest ash-tray created by the artists of the billion hearts beating Foundation of the Indraprastha Apollo Hospital, New Delhi which is thereby registered in world records book. Sakka went to Fatehsagar, DoodhTalai etc. and many more public places to make people aware of the negatives of smoking and asked nearly 500 smokers to quit smoking by showing his work to them. Sakka's work has been kept in the Sakka International Gold Miniature Art Museum Audpada, Kheradvadi, Udaipur.

Hindustan Zinc awards 27 students with "Khushi" Child Care Awards for showcasing their emotions on canvas as part of care for the deprived children..

Hindustan Zinc awarded 27 students with "Khushi" Child Care Awards in a glittering ceremony organized at Hindustan Zinc's Auditorium in Udaipur. "Khushi" Child Care Awards were given to students for their portrayal of various child-care themes on the canvas. As part of creating awareness in Udaipur city on care for the deprived children, a creative workshop was organized by Hindustan Zinc under the project "Khushi" on 23rdNovember 2016. 250 children of 10 schools had participated in the on-ground activity that also involved display of short skits.

Hindustan Zinc's senior management honoured the children for their creative thoughts in the field of child labour, child beggary, atrocities of children. save the girl child, nutrition, education, child trafficking and child marriage which these children portrayed on the canvas.The awards were presented by Mr. Sunil Duggal, CEO-Hindustan Zinc, Mr. Amitabh Gupta-CFO, Mr. Naveen Singhal-Director Projects, Mr. Vikas Sharma-COO (Smelters) and Mr. Laxman Shekhawat-COO (Mines)

Kendriya Vidyalaya (No.1) School received five awards on the paintings made by Het

All the children who participated in the workshop have also been given certifi-

cate for their contribution. Speaking on the occasion, Sunil Duggal emphasised on the need to continue with such efforts to sensitize the society towards care for the deprived children. Acknowledging the sentiments of children, he expressed his desire to display these paintings at various Units of the Company to promote care for the deprived children. He applauded the sentiments of children behind such thoughts. Vikas Sharma, COO also appreciated the thoughts of children behind such projects and congratulated children for bringing such thoughts forward by way of depicting them on canvas.

Pavan Kaushik, Head -Corporate Communication and Founder of Khushi, introduced the thought of making "Khushi Club" in schools that can deliberate on the care for the deprived children and how schools can unite their activities towards a single focus on child care. With the "Khushi Club" the schools would also need to open "Khushi Bank" that would facilitate all funds that are now still diverted. These funds can be then spent on a focused activity through decisions taken by the "Khushi Club"

of Arwana Shopping mall of Udaipur last week. The event saw some great pieces of advices from successful women of the city from various walks of life. Director of Arwana Hasan Aftab said that the the Chicks Connect is a group of such successful women who are strongly bonded with each other through the network. The group began from Udaipur but now has members from various countries of the world. There are members from Dubai, Jamaica, Turkey, and Denmark.

Udaipur: The 53rd Chicks Connect was held in Sheroes cafe

The founder Hurrutul Malaika Taj said that the group helps create a confidence among women and support their ambitions. In this, 11 elite women were felicitated in the program. Kaneez Fatima Paliwala, Seema Singh Bhati, Neena Agrawal, Monita Bakshi, Ruchika Godha were among the dignitaries who graced the occasion.

Entertainment with wisdom for women

Udaipur: Zila Vaishva Mahasammelan is organizing couple of entertaining programs to thrill the citizens this month. The Saarang 2016 fun fare while will be purely entertainment for people, the following session of Maitraiyi 2016 will be inspirational to spread awareness among teenage girls. The Maitraivi 2016 will also address the issues and good habits among women and girls. Pinki Mandawat of the Vaishya Mahasammelan women cell said that Saarang 2016 will be organized on December 25 in Nagar Nigam premises. It will be loaded with more than 70 stalls and delicious food. "A session is scheduled for January 6 in which about 2000 women and girls are expected. This inspiration program will see some renowned orators and veterans," she added.

Three days of photography

Udaipur: The national photography session began in the city with a bang in the newly constructed auditorium of Nagar Nigam. More than 2000 photography enthusiasts flocked the spot with lot of hope and zeal. The participants included women and youngsters apart from experienced shutterbugs. The session was inaugurated by Mayor Chandra Singh Kothari, Rakesh Sharma, Dinesh Pagaria, Dr Anil Risal, and FIP Dr. VarunSingh. The FIP president Dr. Varun Singh said that photography is the universal language. He added that it not only is a science but is also is an art.

Vishal Bhinde, Hari Mahidhar, Vinay Narayan Parrikar, Sudharak Olwe, Shivji Joshi, Anoop Shah, and Anil Shah were felicitated. Two students Sunil Nimawat and Dimple Chundawat were also awarded.

The second day of the session remained dedicated to outdoor photography. Participants clicked and learnt to capture moments during jungle safari and other historical monuments.
