Udaipur: The annual meeting of Udaipur, Indian Institute of Materials Management held in Hotel Crimson Park. On this occasion Mr. V.P. Rathi in I.I.M.M. was elected - Chairperson of Udaipur Branch. Former Chairman Mr. K.S. Mogra and Shri Avinash Bhatnagar have been elected to the position of National Counselor of IIMM.

At the beginning of the annual meeting, Executive President Mr. Avinash Bhatnagar in his welcome address, told about the goals set and delivered. former Chairman Mr. K.S. Mogra to get gold medal for Best President Award, IIMM-Udaipur Branch receives "Best Branch in India" award in non-metro category, getting "Best Membership Growth Award" at All India Level for 2015 Etc. mentioned the activities. Honorary treasurer, Mr. Anil Parikh presented the annual report of last financial year.

After the annual meeting, the election officer Shri S.C. Mathur, announced the unopposed election of Mr. V.P. Rathi as a Chairman of the IIMM-Udaipur Branch for the year 2017-18 and the year 2018-19.

Three-Day National Seminar On Mining

Udaipur: The three-day mining seminar that was held recently saw mining industrialists from across the country. Mining minister Surendra Pal TT also attended the seminar and termed this seminar as a milestone for the mining sector of the country. As per estimations, mining alone contributes about 7 percent to the GDP.

Mining is one of the biggest sources of employment of the Rajasthan state. Till data, 81 types of minerals have been discovered in state and mining is being done for another 57 minerals. The state has 34000 mines that give employment to 25 lakhs of people directly or indirectly. Mining is the third biggest contributor to

the state economy. In the year 2016, the state received a whopping 52000 crores of rupees as revenue which is again the aim for this year. The new mining policy was edited to ensure a conducive atmosphere in the state for this sector. "Many minor and major industrialists raised issues after the implementation of new mining policy. The government then listened to the issues and got amendments in about 70 percent rules," said the minister.

TT assured that the proposal and outcomes for innovation will be considered to create favorable conditions for the business. He also assured about the transparency through e-auction.

The minister apprised that more than one thousand mines will be allotted through e-auction. This figure is expected to touch 3000 mark by December 2017. Talking about the illegal mining, the Minister said that the punishment of six years has been provisioned and battalion has been deployed to keep a watch over any violations. "In last three years only, more

than 14 thousand cases have been registered and more than 60 thousand crores of rupees have been recovered as a penalty," said TT. Arjun Lal Meena, Umashankar Sharma, Sunil Duggal were among the dignitaries who expressed their views on the occasion. The valedictory function took place on Sunday which was presided over by Sh. Arun

Kumar Kothari, President MEAL. Prof. P.K. Dashora, Vice-Chancellor, Kota University, Kota and Sh. D.S. Maru, Director, Mines & Geology Rajasthan, Udaipur and Prof. B.B. Dhar shared the dias as the guest of honour. Prof. Dhar presented the recommendations of the seminar. Mines secretary Arun Kumar listen the report patiently and assured to review at official level. In UCCI minister participated in a symposium "The opportunities for progress and development of mining and mineral exploration business". In which other than TTMr. Dalchand Dangi, MLA Mawli, Mr. Chandrasingh Kothari, Mayor, Mr. D.S. Mr.

Madhusudan Paliwal, Mr. Ansari, Forest Officer, Mr. K. S. Matharu &, large number of entrepreneurs associated with the mining business of Udaipur division were present in seminar. While giving relief to mines entrepreneurs, Minister of Mines announced to implement single window system soon after getting various permissions related to mining. Shri Surendra Pal Singh said that this will solve the huge problems of mine entrepreneurs and they will not be reared from 22 different government departments. UCCI president Hans Raj Chaudhry informed that minister assured that GST on marble will reduce by ten percent soon.

Pacific University : First University to start New Management Batch

Udaipur: (Kapil Verma) The Faculty of Management of the Pacific University, after leaving all the colleges in the entire state, started the first batch of newly-admitted students of the management course with a 6-day Business Preparatory Program. Dean of Faculty of Management Prof. Mahima Birla said that the Preparatory programs were organized by Pacific for the purpose of sensitizing the talents of management of the Pacific Business School to the newly-entered students in the management course and to assess their talents.

Program organizer Dr Pallavi Mehta informed that during the six-day program, marketing, HR, accounting and finance, business communication, IT etc.. Various sessions were organized on the subject, in which the university faculty has offered the students of MBAs. An overview of the topics taught, during the program was explained.

On the last day of the program, students are given the COO of 'Swarnakar Art' as part of the online tour. Govind Soni told the students about the dimensions of management. Students received managerial instincts from this program.

Dr. Kadambari Jain, in-charge of the induction program, said that the 10-day induction program will be organized from July 10 to July 19, by moving ahead this preparatory program. In which sessions and workshops will be conducted for the newly enrolled students by different subject experts.

Delicious Food is a God Gift for Indians - Kunal Kapoor

Udaipur: Kunal Kapoor, the judge and celebrity chef of Master chef India, believes that in every Indian house the flavors of making delicious foods exist in any dish. While making food in the Shouryagarh Resort & Spa celebrity chef praised the taste and art of Udaipurites in the workshop of Comfort Food, saying that when you cook for yourself, you do not have to think much, but when you make a meal for someone else it should be simple and fascinating. After workshop, Chef Kunal Kapoor said to journalists that he has been working

on European and Asian dishes from many years, especially on Chinese cuisine, and he himself likes all kinds of cuisines. Kunal Kapoor told about his first cookbook, "A Safe in Every One Home", that it took about four to four years to make its collection and process simple and useful, but response is very encouraging. He said that every person who likes to cook and eat food is not required. There are many opportunities such as food consultants, flavor developers, food stylists, food bloggers and researchers in this

area. Satish Arora of Kuwait, Clinton Director, said that good training in food business can be done through the new ideas. He told India's food to be favored across the world and to be the best. In the meantime, Basu shared his Beaver's experience with jour-

nalists. The press was also addressed by Rupam Sarkar, GMS Shouryagarh, Shafar Sudhir Pai, Rohan Sable, general manager of Resort and Spa. Before the food and wine festival is set to begin, called media and told about the festival.

Will come Back in Himachal and Gujarat : Om Mathur

Udaipur: BJP's National Vice President Om Mathur said that Congress was always running away from discussions on GST, that is why Congress could not implement GST at any time during its tenure. Om Mathur said that the BJP will create its own governments in all the states of the country and in the upcoming Himachal and Gujarat elections this year, BJP will form a government by winning stroke. BJP National Vice President and Rajya Sabha MP Om Mathur visited Udaipur on Thursday. After visiting Tripura Sundari in Banswara, he went to the house to meet former MP and senior BJP leader Bhanukumar Shastri. Talking to reporters on the occasion, Om Mathur said that GST is a very simple law. Mathur said that the BJP had organized meetings before implementing it, in 18 states and it will be implemented in J & K also. Mathur said that the Congress had never discussed GST openly, that was the reason for their protest. If Congress was counseling all the political parties then consent could also be made during that time. Rajya Sabha MP Om Mathur said that this year there is an election in Gujarat and Himachal Pradesh and in both of these states the BJP will make its own governments with record votes. Mathur said that gradually BJP will win in all the states. Answering a question he said that only after becoming the Prime Minister of Narendra Modi, India's pride has increased in the world. He denied to comment on state BJP in fighting, he however said that state leadership should start dialogue with leaders like Tiwari, who are not satisfied with state functioning.

Shastri recites memoirs to Mathur - On this occasion, senior BJP leader Bhanu Kumar Shastri shared his memoirs with Om Mathur, regarding Bherion Singh Sekhawat and Mohanlal Sukhadia. On this occasion, a number of workers including senior leaders Dharmanarayan Joshi, Vijay Prakash Vipalvi, Bhupendra Paliwal, Bhairulal Nandwana, Pradeep Shirmali, Deepak Dangi, Nemichand Acharya were present there.

Gau Palan Ministry in state is for politics Dr. Girija Vyas

"Cain House's case of death of cows, Congress created committee, inspected by inspection report"

Udaipur: On Saturday, Dr. Girija Vyas, aiming at the death of cows in the Cain House's, targeted the Cain House's and said that this ministry is only made for politics. Even after the case of death of cows minister has yet to turn Udaipur till now.

Vyas told reporters that Home Minister Gulabchand Kataria is busy in laying down foundation stones here and there but no time to see the worst condition of Cain House's. So many cows are dying in their hometown. Regarding the new building of Cain House, she said that the BJP has always used

it until no lace will be used, the Cain House will not start in a new building.

Congress District President Gopal Sharma and State Secretary Pankaj Sharma said that the city Congress has created six member committees, including the district chief Mohsin Khan, LN Dadhich, Sudhir Joshi Trilok Purabia, Feroz Ahmad. The committee will visit the Gaushalas and submit the report in a month. Girija said that in the records of the corporation in Cain House, 150 cows have died in 6 months, but the people told that the actual figure is across 500. Girija has demanded the resignation of the mayor, including conducting the inquiry

committee, post-mortem of cows. Financial anomaly can be easily seen, as despite having a handsome budget of more than ₹1 crore for the Gau Palan, the government is not spending even ₹2,000 per day on the maintenance of facilities

at cow shelter. During my visit to the facility, I found that bovines have been kept in a miserable condition, it (the shelter) was overcrowded and unhygienic, the floor was covered with marsh and the place was so unhygienic and stinking that any individual cannot

stand there even for a minute. In such merciless conditions the animals are housed there, which is somewhere pointing towards inefficiency of the government, UMC and the administration, following that it is mayor's duty to give resignation voluntarily," she said.

"During our visit, we ourselves discovered some recent cow deaths at the shelter, but the municipal corporation is still denying the fact by saying that many of the dead bovines were dumped there by the contractors after skinning, but what one of the UMC members told us about the number of deaths were in contradiction with the statement," Vyas added further.

Replying a question she said it is unfortunate that Anandpal Enkounter's information has been told by CM. At the same times, he said that the kind of GST supported by Congress was not the same as the tax system which we had approved, it is a different decision and taken hastily.

56 People, Including 10 Women Donated Blood

Udaipur: Blood Donation camp was organized on Sunday on the occasion of Guru Purnima at the Shri Tarak Guru Granthyalaya Shastri Circle, in joint association of Pacific medical college of Bhilo ka Bedla and the Bharat Vikas Parishad.

Camp coordinator Dr. S. G. Gupta said that 56 people, including 10 women, donated blood. This blood will be provided to the needy patients. On this occasion, people were also made aware of blood donation and also about the mislead information spread related to blood donation, that blood donation not only benefits the donor but also saved the life of another person.

Among others Anil Sahdev, Lovejit Singh and his team of PMCH Blood Bank Dalpat Jain and Dr. MK Varshney of the Bharat Vikas Parishad contributed in the blood donation camp.
