"4- Months Old Operated For Rare Surgery at Geetanjali Hospital"

Udaipur: An infant 4 months old, weighing 5.5 kilograms, suffering from swelling in stomach, unable to drink milk and vomits was operated by Geetanjali Medical College & Hospital's Pediatric Surgeon Dr. Atul Mishra. The infant was suffering from rare disorder tumor termed Teratoma Tumor in upper

abdomen. The tumor weighed 350 grams wherein of size 15x20 cms. Investigations of Ultra Sound confirmed the presence of tumor in upper abdomen. "We were able to remove the mass from stomach by performing "Excision of Tumor". The surgery lasted three-and-a-half hours. The infant recovered well and is good now. Recurrence of this tumor in infant is negligible. The prevalence of teratoma tumors in infants is less than 1%. Only 20 cases of the same disease have been reported till date & the one with such a small age of 4 months is reported for the first time," said Dr. Atul Mishra, Pediatric Surgeon of Geetanjali Hospital.

Sumerpur Resident, Vivek, age 4 months old, was suffering from vomiting, unable to drink milk and swelling in stomach. To which he was brought to Geetanjali Hospital for consultation.

Dr. Pratibha Kumar Singhal

Kota: Born in a poor family living in Sanjay settlement of Kota, Deaf Daughter Ronak will

now be able to hear and will also speak under the National Child Health Program. A free operation of the cockler implant in Anantham ENT, a penile-private hospital in the city on Thursday was carried out successful and the baby too is healthy now. Akhtar, the father of the girl who is working as an electrician, said that he did not even dream in that her daughter would ever be able to hear and speak. Because they did not have enough amount to pay.

According to the information of the healthy department, this is the fifth case of the cockler Implant in Kota district, which is the highest in the state under this year's program. sent to CMO for Jaipur.

HANSRAJ CHOUDHARY SUBMITTED IMPORTANT SUGGESTION IN GST

Jaipur: Udaipur Chamber of Commerce and Industry Chairman Mr. Hansraj Choudhary and patron Mr. Arvind Singhal attended the meeting organized on GST with Industry and Trade in Jaipur along with Union Finance Minister Mr. PiyushGoyal.Chairman, Mr. Hansraj Choudhary presented a report to the Finance Minister on behalf of the UCCI in which suggestions were given about GST as given below:

The limit of turnover of industries should be increased for composition. Companies registered under the composition should be allowed to file only one return in a year. Grants should be made avail-

able to the mining industries for "C" form for diesel consumption. GST rate should be 5% on all job-based industries. Union Finance Minister PiyushGoyal said that Object

and Service Tax (GST) has given an opportunity to the business class of the country to engage in an honest and transparent tax system. He said that the spirit of GST system which

has been adopted by the general businessman of this country has a population of around 125 crores since last one year is unprecedented.

ShriGoyal said that GST

Council has made improvements from time to time on the basis of legitimate problems of traders. Apart from simplifying the tax process, tax rates of more than one-fourth of the items have been reduced, which have been benefited by traders, and also the common consumer gets relief.

He said that our government is sensitive to the legitimate demands and problems of traders and businessmen. Prior to this, the Minister of Industry, Rajasthan, Mr. Rajpal Singh Shekhawat said that due to GST, the cooperative fidelity has strengthened in the country. He said that the GST in the state was also communicated to traders even till the Tehsil

level.

Over 1200 workshops have been organized so far to resolve their fears.

While Speaking on the occasion, Smt. JyotiKiran, Chairman of the State Finance Commission, Shri SD Sharma, Chairman of Rajasthan Public Prosecution Board, Shri Ramacharan Bohra Member Parliament, Shri Mohanlal Gupta, Shri Ashok Paranam, Shri Surendra Pareek, Additional Chief Secretary Finance Mr. Mukesh Sharma, Senior officials of the Central and State Government including Finance (Revenue) Shri Pravin Gupta and Commissioner GST Shri Alok Gupta. were also present.

Lake Palace joins the World's top 100 hotels

Udaipur: The World's Top 100 Hotels of the Top 100 Cities have been announced based on the survey conducted by Travel and Laser Group, based on tourists who wish to travel around the world. This time, Taj Lakes Palace, the only hotel in Udaipur, has made its position in this category. Lake Palace won the 25th position, securing 96.27 points. The first place in this category has been received by Four Seasons Resorts, Bali, Indonesia. Along with this, Lake Palace Hotel has made its place in the country's five best resort hotels category.

While expressing his happiness on Lake palace, General Manager Nayan Seth said that this achievement has increased our responsibilities. He credited this achievement to his team and said that management of Taj Hotels manages customers' satisfaction rather than profits.

Congratulating all its Managers on this achievement, Nayan Seth said that it is our duty to maintain the reputation of the Taj Group of Hotels. Simultaneously, he congratulated the people of Udaipur on making the city of lakes 10 places in the category of the Best Cities in the world, saying that the behavior of the citizens of the city plays an important role in determining the beauty of any city and in Mewar. That is why tourists visiting here recommend their colleagues to enjoy the pleas of the people here. For Udaipur rising on the road of Smart City, it will always try to make the city a new and different identity, together with Basindhe and Taj Lake Palace of Udaipur city.

Udaipur's new SP – Kunwar Rashtradeep

Udaipur: Rajendra Prasad Goyal, t SP of Udaipur, has been replaced by the new Superintendent of Police, Kunwar Rashtradeep. The orders were released late last night by the State Government.

Before the forthcoming assembly elections, transfer orders of 75 officers across the state were released by the Rajasthan Government. After which, Kunwar Rashtradeep has been appointed as the new Superintendent of Police, Udaipur. Rajendra Prasad Goyal, the current SP of Udaipur, is transferred as the SP, Crime Branch in Jaipur.

Before this, Kunwar Rashtradeep was serving as the DCP (Deputy Commissioner of Police) in Jaipur. In the advisory of the election commission, it has been mentioned that people who have spent a long time at one location should be transferred. IPS officers' posting of batch 201 was also awaiting, hence the move was mandatory. In the same concern, Rajendra Prasad Goyal has been serving as the SP of Udaipur for 3 years now.

Udaipur ranked as World's 3rd Best City

Udaipur: Udaipur was ranked at the 3rd position in the World's Best Cities 2018 by Travel & Leisure (T+L). Udaipur topped the list in Asia. The top ranked two cities are both in Mexico: San Miguel de Allende (1) and Oaxaca (2).

The ranking is based on survey conducted by Travel & Leisure (T+L). Every year the magazine asks its readers to rate travel experiences around the globe. Surveys are done for top cities, islands, cruise ships, spas, airlines, and more. The cities were rated on their sights and landmarks, culture, cuisine, friendliness, shopping, and overall value.

San Miguel de Allende, Mexico topped the list with a score of 91.94. Oaxaca, Mexico was second with a score of 90.52. Udaipur scored 89.31 to be ranked third on the list. The other cities in top-10 in order of their rank are as follows: Ubud, Indonesia; Kyoto, Japan; Florence; Luang Prabang; Hoi An, Vietnam; Chiang Mai, Thailand; and Charleston, South Carolina. "The Travel + Leisure ranking placing Udaipur in the third place is a major honour for every citizen of the city. I wish to congratulate all agencies of the government and the tourism industry who have continued to do their best for the city of Udaipur", said Shriji Arvind Singh Mewar, Chairman and Managing Trustee, Maharana Mewar Charitable Foundation.

A vote of thanks was also delivered to HC Anushree Lunawath for helping team ULLC125 in organizing the session. Cr. Nehal Walwade (HRD Convenor) planned the event meticulously and everyone congratulated her for its success.

IIM Udaipur Launches Green Campus Drive

Udaipur: Indian Institute of Management Udaipur has successfully launched a plantation drive in its premises by planting 500 saplings as part of phase 1. Environmental consciousness is one of the core values of IIM Udaipur and the campus has been implementing activities to push for ecological sustainability. This plantation drive is being implemented in two phases and as many as 1000 saplings are being planted during the current monsoon season. Native species that include medicinal, fruit, aesthetic, and hardy species (detailed list attached) are selected considering these are suitable to the terrain and habitat. All the saplings have been procured in consultation with the Udaipur Forest Department. In the second phase, an additional 500 saplings will be planted followed by a seed ball campaign (7000 seed balls) to rejuvenate the hillocks. Speaking about the plantation drive at the campus Prof. Janat Shah, Director, IIM Udaipur, said, "This plantation drive is an important step towards building an environmentally conscious campus. The community of IIMU will continue with our efforts to strengthen ecological sustainability."

All the stakeholders participated in the drive. Students

committees, teaching and non teaching staff members of the Institute, representatives from Sarovar Group of Hotels (campus service providers), security personnel (SIS India) along with the students actively participated by planting saplings across the campus..

Dr. S. K. Samar felicitated at the state level

Udaipur: Dr. Surendra Kumar Samar of the Pacific Institute of Medical Sciences (PIMS) Umarda was honored for his excellent work in the field of Family Welfare in the year 2017-18.. In this honor, citation, cash, and shield were provided. This function was organized by the State Government at World Population Day in Jaipur.

The award provider medical, health and family welfare minister, Kalicharan Saraf praised the service spirit of Samar. Presided over by State Minister of Health Health, Bansheedar Khandala. The function was addressed by the Principal Government Secretary Naveen Jain, Director Dr. Sunil Mittal, and Secretary Arushi Malik.

Dr. Samar, in-charge of PIMS's Family Welfare Program, while highlighting the trends of his institute, said that various services related to family welfare have been successfully running since 2015. So far 4117 successful sterilization operations have been done. In this, 132 men were sterilized

by the new technique NSV. PIMS Chairman Ashish Agarwal said that He was rewarded by the State Government as a result of excellent services related to family

welfare by Samar. Like our other works, this achievement of Dr. Samar became a factor in our pride. While praising Dr. Samar and members of his team, he said that due to their work, other people will also be impressed by illuminating the name of the institute. On this occasion, Dr. Chandra Mathur, Principal and Dean said that we hope that more and more people will be benefited from the works done by us in the area of sterilization.

Parmo Dharma Trust helped the Kidney transplant

Udaipur: Kailash, suffering from kidney disease, thought that he would probably not be able to live much longer. His family also got frustrated, but the Seva Parmo Dharma Trust helped him raise the illumination in his life with the aid of 3 lakh rupees for treatment.

Kailash has been provided financial assistance by the Param Dharma Trust for Kidney Transplant. At present, 25-year-old Kailash, in the rented house in Savina area of Udaipur city, is obliged to spend his life on the bed. Since both of his children and wife have been caught by Kailash, never saved any moment of happiness. Old parents kept tears on the condition of the son and the uncertain future of the family. Doctors advised the immediate kidney transplant to take a checkup in Ahmedabad after on drugs. His mother agreed to give him a kidney to save her son but according to the doctors, it was too difficult for the poor family to raise about six lakh rupees to spend the transplant operation. The people of the family met Mr. Prashant Agarwal, the Trust President, and told him the entire situation and the paper of inquiry and treatment made by them to save the life of Kailash. On this, a relief fund of Rs. Three lakhs was provided by Trust President Prashant Jee Agarwal for operational expenditure. Kailash and his family thanked Parmo Dharma Trust for the service and said that services like Parmo Dharma are providing new illumination and new life to the patients. The institution has helped us as God. Mr. Agarwal said that there are many patients like Kailash who cannot get treatment due to financial problems, but the institute is always ready for such patients.

Investiture's Ceremony

Udaipur: 'Leaders are the role models who inspire the followers and motivate them to reach the targets of success'.
