## ELECTION-CAMPAIGN IN FULL SWING

**Udaipur:** Winning of Udaipur assembly constituency has become a question of prestige for Congress and BJP. The state home minister Gulabchand Kataria is in ballot war on the Bharatiya Janata Party ticket. At the same time, Congress has fielded Dr. Girija Vyas as its candidate, she was former President of the National Commission for Women and the Union Minister of State. Dr. Vyas has defeated Kataria in state elections years back. Continuing to win many elections, Gulabchand Kataria is now having a real challenge to his own party leaders. Senior politicians bitterly angry with Kataria started the Shekhawat Manch to create difficulties for the last two years. Randhir Singh, MLA of Bhindar, who has been opposing Kataria, fielded Dalmat Surana through a group called Janatasena. Apart from this, Pravin Ratalia, who was State President of Namovihar Manch is also contesting on this seat, the political analyst is of the view that both will damage Kataria and try to stop his victory chariot.

There is no rebel in Congress against the reputable international reputed women Girija. Yet, in the municipal corporation, Leader of the Opposition Dinesh Shirmali and the state office bearers like Suresh Shirmali are not so active as they should be. The significance of Udaipur assembly is also highlighted by both the major political parties that have put their full strength. BJP national president Amit Shah has made a roadshow with addressing the election general meeting and created atmosphere in the favor of Kataria. Apart from this, Uttar Pradesh Chief Minister Adityanath Yogi has not only attacked the Congress addressing the election rally but appealed to vote while securing BJP's programs. He along with Shah played Hindu card in their meetings. Many leaders of the Modi government, such as Arjun Ram Meghwal, Ravi Shankar Prasad, Piyush Goyal, Gajendra Singh Shekhawat... etc, have organized a press conference and told the achievements of Modi and

Vasundhara and at the same criticized and used controversial stanzas and words on Congress and its leaders. The input of Hindu card was clearly visible. From the Congress side, the state's national president, Rahul Gandhi, has organized a meeting in tribal belt to create an atmosphere for Congress, on Saturday he interacts 400 professionals in RCA auditorium to know their views and suggestions at the same time motive was, in fact, to create atmosphere. Apart from Rahul Gandhi, Ashok Gehlot, Sachin Pilot, Raj Babbar, their spokesmen organized meetings and communicated with the journalists,

knocked many times before. In Udaipur battleground, AAP party's candidate Bharat Kumavat is also in the field. Udaipur rural assembly constituency basically has two parts. One is from Udaipur city comprising 11 wards rest is of

tribal villages. In last election city voter has given a comfortable lead to BJP candidate Phool Singh Meena in this Election Government employee and business community seems not comfortable with him. The main fight between

in this constituency is between the BJP's Phool Singh Meena & Vivek Kataria of the Congress. Meena has been facing undercurrent of an outsider while he has development work done on his account, on another

hand, Vivek Kataria is enriched with political legacy. His father, Khemraj Kataria, has been minister and MLA from this constituency, her mother remained MLA and Zila pramukh. His spouse too remained Pradhan from Girva.

## Global Mahakumbh of Engineers from Udaipur on December 21 to 23

**Udaipur:** 33rd Indian Engineering Congress, of The Institution of Engineering (India), hosted by Udaipur Center, will be held from December 21 to 23 in Ananta Hotel and Resorts of Udaipur. Its theme will be Integration of Technologies: Emerging Engineering Paradigm (Technologies Integration: Emerging Engineering

Example). This will also be the 99th Annual General Meeting of the Institute of Engineers (India) (IEE) on December 23. This information was shared on Thursday in the press conference by organizing committee president of Congress Sohan Singh Rathore. On this occasion,

Congress spokesman, C. P. Jain, Secretary of the

Organizing Committee Yevantikumar Bolia, MK. Mathur was also present on dais. Sohan Singh Rathore said that in this Congress, approximately 110 papers in the country and abroad will be included on 15 engineering topics. Delegations from different countries will participate in it and consider various important issues on technology integration. There will be eight academic lectures and speeches and presentations of prominent speakers of the industrial world. In this grand event Engineers for outstanding dedication to the field will for lifetime achievement in engineering and technology upgradation in India be honored. 15 industries will receive the prestigious IEEE Industry Excellence Award, which will include large, medium and small scale industries.

## Pahal & Himonish illuminated

**Udaipur:** Shree Rajiv Surti Dance Factory Dance talents made the country's name illuminated by achieving record achievements in the international competition organized in Dubai. Mrs. Leena Sharma, Director, Shree Rajiv Surti Dance Factory informed that in joint collaboration of All India Cultural Association & UNESCO, 'Global Council of Art and Culture International' was held at Madinat Jumeirah Theater in Dubai from November 13 to 17, 2018, in which Shree Rajiv Surti's two dance talents won medals. In the traditional dance, Pahal Bokadia got the first position in the traditional dance competition, by presenting Kalabelia dance, whereas Himonish Sharma got the second position in the traditional dance category by giving a splendid performance of Chho dance.

## Price Revision of Domestic Subsidized LPG

**New Delhi:** The price of Non-Subsidised LPG at Delhi will decrease by Rs.133.00 per cylinder w.e.f. 1st December 2018, due to fall in price of LPG in international market and strengthening of US\$-rupee exchange rate. Accordingly, the upfront cash payment by the consumer for purchase of domestic LPG refill will reduce by Rs.133/cylinder, i.e. from Rs.809.50/- cylinder in December, 2018 in Delhi market in place of Rs.942.50/- cylinder in November, 2018.

As domestic LPG prices are subsidized by Government, the Effective Price after subsidy to consumer will reduce by Rs.6.52/cylinder (from Rs. 507.42 in November 2018 to Rs.500.90 for the month of December 2018). The reduction is on account of GST impact on decrease in price of Non-Subsidised LPG.

The balance amount is borne as subsidy (Rs 308.60 Per cylinder) by the Central Government and is being transferred to the Bank account of LPG consumers after purchase and delivery of a refill.

## Closing Ceremony of Ryan Football Cup

**Udaipur:** On the cool winter morning of Saturday, 24th November, 2018 Ryan International School, Udaipur witnessed the closing ceremony of the first

Ryan International School, Udaipur witnessed the closing ceremony of the first Ryan Football Cup. The guests to honour the occasion were Shri Deelip Singh Ji Shekhawat, Secretary of Rajasthan Football Association and Shri Ram Babu, National Football Player. In the two days event, that was organized on 23rd & 24th of November, 10 schools from the Lake city Udaipur had participated in the grand event that took place at Gandhi Ground, Udaipur. The matches were played on the knock-out basis. The runner-up of the tournament was G.D Goenka School and the winning team was Step By Step High School. Best player of the tournament was Mst. Aman Roat from Step By Step School. It was a delightful sight to see the runner up trophy and the Rollover Ryan Football Cup being bagged away by the winning team.

In the closing Ceremony Ryanites hailed the blessings of Lord Almighty through Holy Bible Reading and special Prayer that was followed by felicitation of the Prayers and their coaches. The aura was drenched in the spirit of enthusiasm as the school band gave their musical presentation. The winning teams flaunted on the stage unfurling their triumph flag. Principal Mrs. Poonam Rathore on behalf of the management extended heartiest congratulations to the winning teams and wished them bright future.

## GMCH claims to carries First Endoscopic Ampullectomy

**Udaipur:** Gastroenterologist Dr. Pankaj Gupta has successfully performed the first Endoscopic Ampullectomy of 52 years female suffering from a one centimeter tumor at the ampulla recently. The patient was referred from local hospital in view of abdominal pain. After evaluation and CT Scan & Ultra Sound investigations she was diagnosed to have a tumor at the ampulla, the starting point of small intestine. After proper optimization, she was opted to undergo endoscopy where in the tumor was removed.

"Endoscopic ampullectomy is a minimally invasive method of treating superficial lesions of the ampulla of Vater. It is a safe and efficacious therapeutic procedure that can obviate the need for potentially major surgical intervention.

The procedure lasted only 30 minutes & the patient was discharged from the hospital the next day.

If opted for Whipple surgery, the surgery that encompasses the removal of gall bladder, bile duct, duodenum, jejunum, head and uncinate process of pancreas & then followed by reconstruction of GI tract wherein the reattachment of the remaining organs to allow food digestion normally after surgery which would have lasted for more than 6-7 hours. The patient then needs to be shifted to ICU for further post operative care. This procedure is a difficult and demanding operation and can have serious risks. The routine treatment of such tumor is Whipple's surgery only, but endoscopic removal of the tumor has marked this case as the first successful case in Rajasthan," said Dr. Pankaj Gupta, the treating Gastroenterologist. The patient, Ganga Devi (52 years) presented at the hospital with very severe abdominal pain. On consultation & treatment by Dr. Pankaj Gupta of Geetanjali Hospital, the patient recovered well and is healthy now.

## Biodiversity conservation: Role of humans- Dr. Vartika

**Udaipur:** An awareness talk about conservation of biodiversity was given by Dr. Vartika Jain, Assistant Professor, Govt. Meera Girls' College, Udaipur to Volunteers of NSS camp at Govt. Meera Girls' College, Udaipur on Wednesday.

Dr. Vartika explained to the students that what is biodiversity and why it is necessary to conserve the natural diversity at any cost. She gave daily life examples to show that how a single animal/plant/microbial species is important for entire ecosystem and especially for Human beings. Further, she emphasized the role of essential component of life 'water' for earth and how it can be conserved through daily small efforts of everyone. Students were motivated to save and protect every living species and both biotic and abiotic components of ecosystem so that future generations can also survive with limited natural resources in a sustainable way on this planet earth. In the end, NSS program in-charge Dr. Vinita Korhari and Dr. Shruti Tandon gave thanks to Dr. Vartika for her motivational talk on conservation of various components of biodiversity.
