Lok Sabha Election 2019: PM & Rahul's rallies in Mewar

If you make 'Modi Sarkar' (Modi government) then,,,

Jaipur: If you make 'Modi Sarkar' (Modi government) then we will get into action to fulfill your dreams," said Prime Minister Narendra Modi on Monday extending his wishes to those born in the 21st century and those who will vote for the first time in Lok Sabha elections.

For the second consecutive day on Monday, Modi was in Rajasthan to address two public meetings at Udaipur and Jodhpur. His public meeting in Udaipur was scheduled at 2 pm, but he reached at 5 pm.

In his half-an-hour speech, the PM said: "It is possible to run an honest government

and with your cooperation and support, this new tradition has been established. If any person does not repay the money to bank, he cannot have sound sleep. If anybody wants to run away then it will be difficult and even if the person manages to run away then he will be brought to India like we brought Michel Mama (uncle) of Naamdaar (Rahul Gandhi)."

He said the earlier government used to build pressure on banks to give loan to billionaires through phone banking, but his government

gave loan of ₹17 crore without guarantee under Mudra Yojana and 4.25 crore people

started their new businesses.

"More than 40 crore labourers such as maid, cook, rickshaw puller, taxi driver, waiters, vegetable vendors etc will get pension after the age of 60. Did they ever think that they will get pension, a government will come to think about this. We have made this scheme. Not only this, we have planned to give pension to small shopkeepers, farmers and farm labourers," he said.

Congress says that Modi should not talk about nationalism, national security terrorism in this election, he said. "Someone else may listen to them (Congress) but not Modi."

He asked the audience, "You tell, is Modi on right track, moving on right direction, has right intentions, is making right efforts? Modi is attacking on terrorism. Is it right, are you happy. I hit entering the house. How country should be protected should be talked in this election and every election, whether it is Udaipur municipality election or the assembly election. It is Lok Sabha

election and national security is an important issue. Their (Congress) mentality is small that they do not understand about the issue of this big country. Being in power for 60 years, they do not know what are the issues of the country."

Lambasting on Congress, he said, "They are asking for proof of the bravery of soldiers. Who will you believe – the soldiers or the ones asking for proof? The country's soldiers have made India proud, but the gang asking for proof has made the country's head hung in shame."

PM said: "If a country's popularity increases in the world, its direct effect is on tourism. Tourism is directly related with connectivity. An airport in Udaipur, broad gauge line to connect Ahmedabad and six-lane highway and many such projects either have been completed or on the verge of completion." Modi concluded his speech, saying: "India should have its status in the world, its honour should increase and it should be strong. For a strong country, there is need for a strong chowkidar."

I want to do justice in next five years, Rahul

Jaipur: Congress president Rahul Gandhi on Tuesday said the BJP government had done injustice in the last five years but he wants to reverse the trend by doing justice in the next five

Congress president Rahul Gandhi on Tuesday said the BJP government had done injustice in the last five years but he wants to reverse the trend by doing justice in the next five.

Addressing an election rally in Beneshwar Dham in the tribal dominated constituency of Dungarpur, Rahul Gandhi also promised a surgical strike on poverty and give government

jobs to 22 lakh people in the next one year if his party is voted to power in the Lok Sabha elections. The Congress president offered prayers at the Shiva temple in Beneshwar Dham, where an annual tribal fair is held.

"PM Modi did the most injustice to tribals in the past five years. He did not fulfill promises and ran a government for 15-20 rich people," Rahul Gandhi alleged.

"The BJP has done injustice in five years. Now, I want to do justice in the next five years," he told the gathering.

According to the Congress president, Prime Minister

Narendra Modi had promised to deposit 15 lakh in bank accounts, provide two crore jobs every year and a better price for crops to farmers but did not fulfill any of the commitments.

"In the past five years, they did injustice to poor, tribals, weaker sections and now the Congress party wants to give you justice. We will put more than what has been snatched from you by them in the past five years. They talk about surgical strike, we are going to do a surgical strike on poverty," he said. Rahul Gandhi said he was not here to lie but to strengthen relations. Alleging that the prime minister says whatever comes to his mind, the Congress president said he will speak the truth on issues related to the minimum income scheme NYAY, employment and farmer distress.

"Two crore jobs every year, Rs. 15 lakh in bank account was a lie. I will talk about depositing 72,000 annually in bank account and 22 lakh government jobs in one year and 10 lakh jobs to youths at

the panchayat level," he said.

Gandhi said no country has so far deposited money directly in bank accounts. It will be the first time any government will be depositing money directly in bank account of poor, he added.

"You have suffered a lot in five years due to demonetisation and GST implementation," he said.

For the first time in 70 years, 15 people fled after stealing Rs. 1 lakh crore belonging to tribals, weaker sections, labourers and small traders, he claimed. Discussing the Congress' crop loan waiver promise, Gandhi said the vow was fulfilled within 10 days in Rajasthan, Chhattisgarh and Madhya Pradesh after the party came to power in the assembly elections. Congress has decided to amend the law so no farmers will land in jail for their inability in paying off loans. There will be a separate budget for farmers, he added.

State CM & Deputy CM addressed Rally and told about state government performance last 125 days.

World Earth Day Celebrated

No Trr Trr of Frog ,No kav Kav of Crow

Udaipur: The world earth day is celebrated in the Mount View School today. In his presentation Dr P.C. Jain who is spearheading awareness program in Rain water harvesting, De-Addiction and solar energy said this year theme for earth day is to "Protect The Species" because now a days we seldom hear Trr Trr voice of Frogs in rainy season & Kav Kav of the Crow because of extinction of many species from the earth. So we must try to save the species because in nature nothing exist alone "

Since 1970 about 1000 to 10000 species means 40% animals have extinct means 40 % birds means from every 8 bird species means 1 is extinct, will we allow them to die like this? Because dumping of 80 lakhs tons of plastic in the sea every year large numbers of sea animals are facing extinction . 50 % monkeys now exist since 1900 also only 5 lakhs of Elephants exist from one lakhs in the pas

Death by Pollution

About 20 lakhs people die of pollution inside the house and outside house ,so it is very essential to save the "Mother earth ". Half of the forest of the world has perished and to add the this the forest fire further reduces it and increase the temperature of the earth. About five thousand people die of water pollution .

How to save earth & Protect the species

By reducing the pollution of air & water and soil we can save these species . He asked the children would not they like to see the beautiful butterflies? Every body replied that they like butterflies.

Plant Song

Both girls & boys recited a song on plant "Aao bhai ped lagaye ,apni prathvi ko bachaye "with ped dance in the program to motivate for plantation and to call the rains.

Sankalp

Every body took the oath that they will implant a plant in the coming rain & will take care of that through out their life till it can sustain itself because plants give oxygen & food for our life. They also promised to keep water in the house for birds in the Parindas

They also promised that every body who is taking water from underground water source will recharge them with roof top rain water harvesting from this year so that they do not face water scarcity in future .

Thanks was given by principal Mrs Neelam Sharma & Dr P.C. Jain was welcomed by Director Mrs Bhawana Choudhary & program was conducted by S.P. Agarwal the academic director of the school . Mr Lokesh choudhry was also present in the program of earth day today.

NOTED EXPONENT OF MOHINIATTAM- MANDAKINI TRIVEDI ENTHRALLED SEEDLING

SHAMEEM Q

Myth and legend came to life in The Seedling premises, when a splendid dance personality Smt. Mandakini Trivedi enthralled the audience with her spectacular performance along with her accompaniments under the aegis of SPIC MACAY (Society for promotion of Indian Classical Music and Culture among Youngsters) on Saturday, 20th April'19. SPIC MACAY seeks to conserve and promote this awareness of our rich and heterogeneous cultural tapestry

amongst the youth of the country through forms of the classical arts. Mandakini Trivedi is the recipient of Sahitya Akademi Award for the contribution in Mohiniattam- an Indian Classical Dance form. It is rightly said that dance is the conversation between body and soul. It is a perfect blend of mind, body and soul which Mandakini portrayed through her beautiful steps. Performers displayed a unique presentation that portrayed a distinct amalgamation of life and culture. Artist performed wonderfully on the mythological story which enamoured the audience. Students relished every scene and got attracted with their gripping depiction of the various dance forms. Mandakini Trivedi explained the various dance forms and the movements of the body

being compared with the serene beauties of the swaying of the palm leaves of Kerala, the undulating water movements and the animal life life that abounds there in the lap of nature. The dance forms and its portrayal was so poignant that the students watched in pin drop silence, breaking into thunderous applause as the scene ended. SPIC MACAY is the medium to not only promote awareness among youngsters as regards music and our cultural heritage, but also provides rich experience of lis-

tening to senior artists. The performance was a wonderful display of synchronisation, agility, rhythm, discipline and skill. Dance and music is an effective way of expressing that soothes the mind and makes it whole, flow from heaven to soul.

The noted exponent was accompanied by her student Aneri, Kalasri and KNP Nanibisan on Edakya & Maddalm, K S Jayan on vocals and Rajat Prasanna on flute. All were thanked and adorned with tilak by the Director of the school Mr. Hardeep Bakshi and Principal Keerti Maken in keeping with our tradition..

It was truly a scintillating and mesmerising experience provided by SPIC MACAY that encompasses wealth of knowledge, wisdom and beauty to make an integral part of student lives.

Lok Sabha Polls indicate BJP's march towards Presidential Form of Government

Dr.H.S.Chandalia

The entire campaign of Bhartiya Janata Party in 2019 Lok Sabha elections has been on the slogan "Abki Bar Modi Sarkar".

Whether it is West Bengal or Rajasthan , Kerala or Uttar Pradesh the campaign of BJP is built around a single person who is himself so much self-flattering that he himself calls upon people to vote for Modi. This is height of narcissism. Addressing a rally in Udaipur on 22nd April, 2019 Modi took his own name almost a dozen times and called his government " Modi Sarkar" instead of " BJP Sarkar".

The agenda is clear. They want to convert the entire election into an event of personal glorification and hero worship. Unfortunately , major opposition party Indian National Congress has also fallen into this trap and has allowed BJP to make this election a Modi versus Rahul contest which is ultimately self -defeating.

The variety of issues in different parts of the country, local leadership, regional languages and cultural issues, local needs

of the people , issues of potable water and lean agriculture no more form the agenda of political debates even in state level campaigns his is dangerous. The result could be a rise in the political strength of regional parties in states like UP, Andhra Pradesh, Odisha, West Bengal, Telangana, Tamilnadu, Punjab, Assam, Mizoram, Nagaland, Sikkim, Jammu and Kashmir, Maharashtra and Delhi. It may be seen that in the forthcoming elections the regional parties may emerge with bigger presence in the Parliament.

There are statements made by opposition parties that if Modi wins 2019 elections there won't be any elections any more. It may be better stated as there will not be elections of the present nature where we will have opposition playing on a level playing field. Even today, if one compares the assets of BJP and its campaign cost , no party can match it. In 2014 elections during 75 days of campaigning BJP spent Rs.712.48 Crores, INC spent Rs. 486.21 Crores, NCP spent

Rs.64.48 Crores, BSP spent Rs. 30.06 Crores and CPI spent Rs. 6.72 Crores. The BJP had been out of power then. In last five years the assets of BJP have grown immensely. Even in 2014 it was not a level playing ground. In 2019 it is going to be pretty more uneven. In a report published on 4th April, 2019 PTI has stated that the BJP has topped the chart of political advertisers on Google with an advertisement spent share of around 32 per cent, while its rival Congress is ranked sixth with a meager 0.14 per cent share. Political parties and their affiliates have spent Rs. 3.76 crore on advertisements since February 19, 2019, according to the internet giant's Indian Transparency Report .

This could be an indicator of total expenses on advertisement. This means that if Modi wins 2019 elections , 2024 elections will be on an extremely uneven plane. Then perhaps it would be easier for the BJP to campaign for a Presidential form of government since even now they are talking of " Who against Modi?"

Sava Dhoom @ Sojatia Jewelers

Udaipur: In current knotting season in the city, there is not only a lot of enthusiasm at Sojatia Jewelers to buy jewelry at reasonable prices, but numbers of customers are also booking pieces of jewelry for an upcoming wedding, ring ceremony dates

Dr. Mahendra Sojatia, Director of Sojatia Jewelers informed that gold jewelry worth 916 hallmarks is available on the reasonable making charges. There is countless design on this showroom that every customer select them and drives them out of their mouth. The young generation is getting more attracted to these designs.

He told that from time to time, Sojatia Jewelers come in different types of schemes for the customers so that the public can take advantage of those schemes to secure the future of their own and their children. Recently, for the public, Sojatia Jewelers had applied the Gold Exchange Scheme, which is getting too crowded for the benefit. The public does not want to leave this spot. The public is not going to miss any chance of any kind. The most important thing is that the people are depositing their old gold on the charging charge under the scheme. He informed

Dr. Sojatia said that in the marriage season, this advice is being given to the public by us that bring the old jewelry to the showroom and melt the old jewelry to 916 gold and after 10 months get, the newest designers 916 hallmarks without making charges.

Dhruv Sojatia said that old gold jewelry melted in presence of a customer. Thereafter, that gold is checked for its accuracy on the karat meter. than Gold is converted to 9 16 Gold. After 10 months instead of that gold, the jewelry of 9 16 hallmarked new design will be given without any storage charges. It is worth mentioning that Sojatia Jewelers have been awarded Authentic Retail Jewelers Prize of the country and IGI for the Diamond Jewelry by the IGNOU.
