

# ARYAN INTERNATIONAL CHILDREN'S FILM FESTIVAL CONCLUDED WITH AWARD CEREMONY

THIRD DAY of ARYAN INTERNATIONAL CHILDREN'S FILM FESTIVAL witnessed screening of great films, followed by CLOSING CEREMONY and AWARDS CEREMONY.

Thousands of children watched the films

In this three days festival [organized by JAIPUR INTERNATIONAL FILM FESTIVAL], 47 films from 19 countries are screened. Here, students of 25 schools including Dolphins High School | Cambridge Court High School | Jai Sri Perwal School | SMS School | Sanskar School | Bhabha Public School | Maheshwari Public School | Jaanki Devi School | Vimukti NGO | Tagore International School | Bright Land School | Government School | [Near kirmi Phatak] Jagriti Foundation and Disha Foundation enjoyed

taking the experience to watch the films. Kids with special abilities also entertained themselves by watching the films.

CLOSING CEREMONY took place at 12:30 P.M., where Om Thanvi [Vice Chancellor, Haridev Joshi University of Journalism and Mass Communication] attended the program as Chief Guest.

Thanking the organizers, Thanvi asserted that Cinema teaches us to speak. Hence, it's our responsibility to guide our young generation to watch good cinema, which can give them a right direction in life. Therefore, such film festivals are so relevant, Thanvi said.

Appreciating the endeavour of JIFF, I.A.S. Neeraj K. Pawan assured the audiences that next year, the number of children to watch the films in this festival would reach 1

lakhs. SHAPE of the FESTIVAL to be bigger next year

JIFF founder HanuRoj asserted that the festival got such wonderful response from little audiences that now it's going to be bigger. Next year, a place would be developed as hub of cinema, where various activities like film work-

shops, talks and dialogues would go on. Evidently, it will prove beneficial for the film enthusiasts of the city. Next year, the festival would hold at the same dates, Hanu informed.

Awards to films in ARYAN INTERNATIONAL FILM FESTIVAL Om Thanvi, Neeraj K

Pawan, Singer VeenaModani and INOX General Manager distributed the awards to winning films.

## Honors for those who cooperate in eye donation

**Udaipur:** District Collector Smt. Anandhi has said that eye donation is a virtuous work and encourage more people to do this so that light can come in the lives of people living in darkness.

The Collector was addressing the Chief Guest on behalf of the Eye Bank Society of Rajasthan Chapter Udaipur, at the Vedanta Red Cross Society Building, in honor of those who collaborated in eye donation.

On this occasion, She also expressed the need for wide publicity about eye donation so that people become aware and cooperate in this work. She said that society moves ahead only from the conscious people who donate the eye. The Collector told that her parents had also pledged for eye donation fifteen years

ago. On this occasion, President of the Society BS Bhandari gave a welcome address and threw light on the objectives of the program. The report was presented by Secretary SushilSinghvi. The function was conducted by Rajendra Sen.

Their respect Dr. Ashok Bairava, Dr. Vijay Gupta, Dr. Manish Sharma, Dr. Nagendra Singh, Dr. Puneet Jain, Dr. P.R. Saklecha, S.M. Porwal, Naveen Jinagar for special cooperation in eye donation during the ceremony. RekhaJinegar, Ashok Jain, Virendra Barber, Krishnavatar Gupta, Rajendra Nahaar, Kasturchand, Suresh Chhaparwal, BrijwalKumawat, and Rajendra Singh was felicitated by the guests. During this period, the state-level

district collector Anandhi was also felicitated by the society.

Posters will be put in every government office

On this occasion, the District Collector and present guests released different posters for the importance of eye donation and motivating them to make eye donation. On this occasion, the Collector announced that these posters will be installed in all government offices in the district.

He asked the members of the society to make these posters to make awareness for eye donation, and paste it on various departments, offices and institutions in the district so that others can be inspired to donate information from it.

The Collector also called upon the common people to cooperate in these sacred works.

## HINDUSTAN ZINC ENSURES SAFE DRINKING WATER FOR 15,000 PEOPLE

**Udaipur:** Hindustan Zinc has installed an RO Plant and five Water ATMs to provide safe drinking water in addition to the existing two RO Plants, four Water ATMs and a Water Mobile Van installed in Debari.

Hindustan Zinc installed an additional water purifying RO Plant in the MerdtaPanchayat of Udaipur, directly impacting lives of 5000 people in 5 villages. The company has spent Rs. 40 lakh on this project where the plant will function with a purification rate of 1000L/ hour. The plant was inaugurated by Mr. C.P. Joshi - MP, Chittorgarh and Mr. Dharamnarayan Joshi - MLA, Mavali along with Mr. Amitabh Gupta - Director Commercial, HZL and Mrs. NeelimaKhetan - Head CSR, HZL on 30th August 2019.

During the event, Mr. C.P. Joshi said "Potable water has always been the concern in rural areas and with such initiatives, Hindustan Zinc has been contributing towards greater good of the society."

Additionally, Mr. Amitabh Gupta spoke on the importance of potable drinking and emphasised on how Hindustan Zinc has pro-actively contributed in the field of education, health, cleanliness and empowerment across its business units.

Mrs. NeelimaKhetan - Head CSR, Hindustan Zinc, briefed about this initiative and discussed about the operations of the plant & availability of drinking water in the village.

The RO plants, built in association with Water Life, have a capacity of 3000 litres and function on the advanced membrane technology. With this technology, the water goes through a 10 stage purification process and is backed by solar power to lower its dependency on electricity. About 20 litres of water can be dispensed at minimum amount of Rs.6.

The water from these ATM's is available 24x7 and can be dispensed by the people with the help of a pre-

paid ATM card which were given to the villagers while registering them. Apart from these ATMs, an individual mobile ATM van with a capacity of 2000 litres is reaching out to the remote areas of the villages to which the plant is not accessible. Of these existing two RO Plants, four Water ATM's a total of 10,000 people have benefitted in one year.
