President's rule imposed in Maharashtra

New Delhi: President Ram Nath Kovind on Tuesday signed a proclamation imposing President's rule in Maharashtra, officials said. Earlier in the day, Governor

Bhagat Singh Koshyari recommended President's rule in the state. Earlier, a statement tweeted by Koshyari's office said, "He is satisfied that the gov-

ernment cannot be carried on in accordance with the Constitution, (and therefore) has today submitted a report as contemplated by provision of Article 356 of the

Constitution." Article 356, commonly known as President's rule, deals with 'failure of constitutional machinery in the state'. The Union Cabinet also recommended President's rule in Maharashtra where no political party has been able to form a government after the Assembly polls last month. Sources said the Union cabinet, chaired by Prime Minister Narendra Modi, met in Delhi this afternoon to discuss the political impasse in Maharashtra and decided to recommend to the president to impose Central rule in the state. - PTI

PNB robbery case-Gang leader and accomplice arrested

Udaipur: The PNB robbery case shocked Lake City Udaipur to a great extent. The incident took place on 16th September 2019 and the culprits were difficult to trace. 7 men involved in this case were arrested but the leader was not to be traced at all. Finally Jaipur police has arrested the gang leader Dayal Singh and his accomplice Prabhu Singh and has also recov-

ered weapons from them. The arrested gang leader has confessed to having committed robberies in Gujarat, Haryana, Punjab and a few other states as well.

It may be noted there was reward on the heads of these criminals. The modus operandi of this gang was such that police was unable to get a clue regarding their whereabouts. 7 of these were arrested after great efforts and police was on the look out for the gang leader. It was also hinted that the gang could be a part of the Papla gang.

Thousands of migratory birds found dead in sambhar lake

Sambhar, Thousands of migratory birds of about 10 species were found dead around Sambhar Lake, the country's largest inland saltwater lake near Jaipur, sending shock waves among locals and authorities.

Officials said they suspect water contamination as one of the reasons for the deaths but were awaiting viscera test reports. Though the official toll was 1,500, locals claimed the number of dead birds could be as high as 5,000.

"We have never seen anything like that. Over 5,000 birds died mysteriously all over the place," 25-year-old Abhinav Vaishnav, a local bird-watcher, told PTI. When Vaishnav went on a stroll along the edge of the lake on Sunday, he took the hundreds of lumps strewn across the marshy land for cow dung. But it didn't take him and his fellow bird watchers Kishan Meena and Pavan Modi to realise the lumps were bodies of hundreds of lifeless migratory birds.
