

# Confluence of 44 painters of India and abroad, sharing feelings on the canvas

**Udaipur:** Young and experienced artists from 12 countries including India gathered at the jüStA Sajjangarh. In the last 7 days, artworks inspired by Rajasthan were created at 'Chitrashaala' held at jüStA Lake Nahargarh Palace, Parsoli, Chittorgarh.

CEO and Founder of jüStA Hotels, Ashish Vohra and veteran designer, Deepika Govind, said that the artists put their contemporary work on canvas using their best imagination and profound emo-

tions. An amalgamation of the past and present these artworks explored themes of nature, architecture, memories, organic forms, and modern art on canvas in acrylic colour. In his artwork, painter M. A. Hussain beautifully depicted the future woman with the power of horses.

Chitrashaala was organized under the direction of Avijit Mukerjee of West Bengal. "In the last 6 days these 44 artists produced 88 paintings" exclaimed Ashish Vohra. He added that for the last few years,

jüStA Hotels & Resorts has made conscious efforts to align the objective of exchanging culture of our country with abroad and to seek out great talent that produces high quality art.

He is trying to fulfil this mission by bringing together avant garde artists of the world and India together at Chitrashaala. This

year, paintings created by 44 artists from 12 countries were displayed at jüStA Sajjangarh. All the artists arrived in Udaipur on November 3 and reached Lake Nahargarh Palace for this unique artist residency. At Chitrashaala, all artworks were created in a span of six days.

The artworks were displayed in this

exhibition, under the leadership of renowned art curator and critic, Anirudh Chari. Three artists of Poland, Alicja Pruchniewicki, Barbara Nycz, Roland Grabowski, 5 artists of Egypt, Dr. Fatma Abdelrahma, Dr. Salma Elashry, Dr. Samiha Tohamy, Dr. Rania Abuelazm, Dr. Weaam Elmasyr,

## Ansh gets the car on Sojatia Jewelers

**Udaipur:** In the presence of customers a few days back pride of Mewar draw was opened at Sojatia Jewelers located. In which Udaipur native living presently at Ahmedabad Ansh Bhavani was the winner of the first prize was given the car keys in a ceremony held

On this occasion, Ansh Bhavnani said that she has been purchasing gold jewelry at Sojatia Jewelers all the time. The hallmark designer jewelry here attracts them spontaneously. This leads to a cult-like two-pronged saying. Jewelry is also purchased when coming here and meeting Papa-Mummy.

Mahendra Sojatia, director of Sojatia Group, said that the second award was given as LED of Ambalal Devpura and 100 consolation prizes were also given. The remaining winners can receive prizes by showing their coupons.

Dhruv Sojatia told that in the five lucky draws opened earlier, five cars were opened in the name of Durga Devi Sarma, Archana Kanthalia, Neha Dak, Neha Solanki and Savita Karwani. With the opening of this prize in the name of women, the jewelry love of women is displayed.

## PROMISES THAT POLITICAL PARTIES MAKE

- Ashok Mathur

As the battle between BJP and Congress is hotting up for superamacy in the Municipal Corporation Udaipur, the two major parties have come out with their manifestos.

Releasing the Congress manifestos jointly City District President Gopal Sharma and Dehat District President Lal Singh Jhala said that the party would fulfill all the 44 promises being made. The manifestos include taking care of Ayad River, beautification, proper drainage of sewage, rapid repair of roads damaged due to laying of the sewage. line, making Swaroop Sagar, Kumharla Talab, Rangasagar, etc. pollution-free, ensuring the safety of tourists near the lakes, handing over newly developed colonies, proper water supply in the City, taking care of parks and community halls, solving all problems of colonies and "Mohallas" disposal of solid waste, making proper medical facilities available for the public, making water available in areas that have this problem developing playgrounds, preparation of heritage providing houses to the homeless person setting up CCTV cameras for safety in the town etc. On the other hand, former Home Minister Gulab Chand Kataria addressing a meeting of the core committee said that the party would fight the election on the basis of the development work done by the Municipal Corporation. He also emphasized the fact that after the work done by former Chief Minister M. L. Sukhadia, it is only his party that can be credited for all the progress made in the city and as matter of fact in the whole of Mewar.

# Judiciary moves ahead for not using single use plastic

(Hritu sodhi)

The new court complex at Chittorgarh district in Rajasthan was inaugurated on Sunday.

No doubt this shall be remembered as a historic and memorable day due to the magnificent presence of two honourable Justices of supreme court, Justice Dinesh Maheshwari and Justice S. Ravindra Bhatt along with Chief justice of Rajasthan High court Justice Indrajit Mohanty and two honorable Judges of Rajasthan High court, Justice Mohammed Rafiq and Dr. Justice Pushpendra Singh Bhati. However one remarkable change was also seen in the inaugural function that single use plastic was completely avoided here.

Ordinarily in such functions use of plastic bottles and plates, glasses, spoons was preva-

lent in the past, however during this function no plastic bottles were seen at the dias for the dignitaries. Water was served in the glasses, food served in the plates made of ceramic. In order to accomplish the task, several meetings were held in past between the various departments bar association and the judicial officers under the directions of District and Session Judge, Chittorgarh, Hemant Jain. Honourable inspecting Judge Dr. Justice Pushpendra Singh Bhati had also visited the campus to examine the preparations and the progress. On couple of occasions, clear instructions were given to avoid the use of single use plastic in the function of new court complex.

The District and Session Judge Chittorgarh, Hemant Jain along with the entire judgship

including the judicial officers and employees of the district court had taken a pledge to not to use the single use plastic in future. The ongoing campaign and awareness programmes in order to create awareness against the use of single use plastic in daily life, rally, camps, nukkad natak were also held in Chittorgarh on Gandhi jayanti. Shri Jain insisted that now in continuation of the same, no single use plastic should be used while organising any function in Chittorgarh in near future. District legal service authority, Chittorgarh District arranged traditional earthen kulhads and ceramic cups for drinking water, tea and for other purposes ceramic plates, steel plates, spoons and other utensils were used for lunch for the dignitaries, judicial officers, lawyers and guests from the var-

ious government authorities and departments.

In the function most of the decoration of the main porch and entrance gate were done with beautiful natural marigold and rose flower petals and natural leaves and plants. Main stage was decorated with the marigold flowers. Rangoli in the main porch entrance and in front of the District Judges Court was also made of natural flowers and colours.

The judiciary had given a message to the public against the single use plastic and set an example that such a mega event can be organised without the use of single use plastic and further inspired the public to remove plastic from their life and to address the public outcry to save the planet from the hazards of single use plastic.

## Geeta Chandran to perform on KARTIK POORNIMA

**Udaipur:** At Manak Chowk of City Palace 'Brahmajali' will be the center of attraction in the light of Kartik Purnima 'Brahmajali 2019' to be organized under the aegis of Maharana Mewar Charitable Foundation, Udaipur, in which a dance will be performed by the country's leading dance artist and eminent. In the program, Ms. Chandran's playwright will be provided accompaniment by the artists of the dance hall. Eminent artist and dance guru of Bharatanatyam,

Geeta Chandran is associated with many organizations in the field of dance and singing along with being the director of the Natya Nritya Shala. Not only this, besides environment, sanitation and arts education, there is also a spokesperson for issues like gender equality, which directly affects the artists. She has also been a member of several committees of the Government of India. Apart from the Padma Shri award, you have also been awarded many nation-

al and international level. Dancer, choreographer and guru, Geeta Chandran, bhakti emerge as the thematic foundation for reflection into her own life journey. The autobiographical solo performance takes a refreshing stance by delving into the deeply personal for social activities. Bhupendra Singh Auva said that the chief guest of the 'Brahmajali 2019' program will be the Chairman and Managing Trustee of the Foundation Shriji Arvind Singh

Mewar. Auva told that there is a tradition of celebrating Kartik Purnima in Mewar. Kartik Purnima is celebrated throughout the country as the worship day of Jagat Father Brahma.

In this way, eminent artists of the country are invited to Mewar and they are given opportunities to present their art. The Foundation has been organizing such programs with the aim of keeping Indian art alive and promoting artists.

## AIR POLLUTION - A BIG PROBLEM

- Ashok Mathur

The smoggy condition of environment in Lake City recently is a cause of great concern. The extremely high level of air pollution in Delhi and the adjacent areas of Rajasthan had its impact on Udaipur.

Mother Earth is the only planet we have global warming that is caused by excessive emission of gases can lead to irreversible changes in the delicate balance that exists in the planets climate and life system. It is a growing crisis with large scale implications on mortality, health, economy and security.

The importance of action at all levels to tackle this problem cannot be overemphasized. All of us will be affected irrespective of economic status or nationality and it is up to each of us to apply our creative knowledge to move forward the common goal. We have still not reached a point of no return and most dangerous climate changes can still be avoided. It is action on the ground that makes all the difference in achieving our goals.

As far as the proportion of four wheeler vehicles and the population of the city is concerned lake City occupies high position in the country. Udaipurites are only second to Jaipur. And what makes the situation worse is the high number of vehicles running on the road that do not come up to pollution standards. The number of tempos has also shot up.

When petrol, diesel and fuels that contain carbon are not burnt fully, carbon monoxide is produced that is very harmful for us. Ozone that is found in the upper layer of the environment protects the earth from harmful ultraviolet rays of the Sun. A gas that comes out of fridges, air conditioners, gadgets etc. Chloro Fluoro Carbon enters the environment and mixing with other gases affects the ozone layer adversely. Smoke and dust particles remain suspended in the air and produce fog.

According to specialists, the tiny particles enter the respiratory system and with its each breath they reach the cells of the heart luggage and brain causing serious diseases such as cancer, Heart Attack and breathing problem. In addition to this, there are many problems such as causing burning in eyes and allergy to that are caused because of the irritants. For improving the situation, the outdated bikers have to be taken off the road. A large number of low floor City buses have to be introduced. There should be a large number of e-Rickshaws on the road. The use of bicycles is to be encouraged as it is also good for health. Going to office and factories in shared vehicles is likely to reduce air pollution. Not using vehicles once a week is also a good step in the right direction.

## United congress may get more seats

**Dr. Munesh Arora**

There is myth date who's party lead in Mewar, be able to form government in Rajasthan for the first time, this superstitious myth was broken and in spite

few seats captured by congress in the last election was able to form government in Rajasthan. In Mewar, there are 2 to 4 power centers in congress politics, unfortunately, they are not only scattered but have incompetent to lead Party as it was done by late M. L. Sukhadia, Gulab Chand Shekhawat Hira Lal Devpura and recently Dr. C.P. Joshi for the first time Udaipur district hasn't any representation in Gahlot cabinet it's true because stalwart leaders like Dr. Girja Vyas Raghuveer Singh Meena have lost the election veteran Congress leader Dayaram Parmar though, he won the election but unable to get birth in Gahlot cabinet reason being clear that is infighting among tribal to get hold. It's a time of Municipal Corporation in Udaipur and Kanore. In Udaipur Municipal Corporation BJP is enjoying power for the last 25 years and it seems that it will retain power again. Heavy rains tore roads, total chaos and Anti-incumbency taken against Mayor are the main reason that can be cashed by congress in the upcoming Municipal Election for which voting will be held on 16th. Dr. Girja Vyas and madam Kataria along with her son Vivek Kataria are in the field to create anatmos-

phere against the ruling board. The selection of candidates is so poor that prima facie 20 plus Candidates can only win the election. In order to defeat BJP in his stronghold Udaipur, it is necessary that should get United To cope up with the situations. CM Gehlot seems to be serious to win Udaipur election keeping in views he has appointed Bhanwar Lal Meghwal Convener for this election. In spite of him health minister Dr. Raghuveer Singh Meena deputy CM Sachin Pilot has visited and stressed the need to get United and defeat BJP in the municipal election. They have discussed the political scenario with Trilok Purbia, Dinesh Shrimali, and second-line leaders. The working style of Mayor CS Kothari is the main hurdle to clean Sweep the election but the strong leadership Gulab Chand Kataria and the way he was able to file nomination of all senior leaders. For counselors election was able to encounter the Anti-incumbency factor. In Congress other than CM Raghuveer Singh Meena in CWC member. Though lost Lok Sabha and Vidhan Sabha election, he is popular face among congress men and Udaipurites, his activeness in the municipal election, will boost moral of congress workers. Though, it is Prerogative CM induct any member in his cabinet or nominate them in constitutional posts vacant is a state but till today he hasn't taken a step to strengthen in Mewar. Will Anti-incumbency factor be boon to Congress the time will tell however the sign is on today are not good it is better for cm to strengthen Congress in Mewar so that the upcoming Panchayat election may be able to fight to collective full strength.

## HINDUSTAN ZINC receives IEI (Institution of Engineers India) Centenary Industry Excellence Award 2019
