## Demands for development of Hatundi and women college raised by Kul Pramukh and Chancellor Bhanwar Lal Gurjar : Minister

**Dr. Raghu Sharma  
Inaugurated development  
works at Haribhau Upadhyay  
Women's College**

**Ajmer:** Medical and Public Relations Minister Dr. Raghu Sharma said that the youth's ethos should have been dedicated to the great men of the country like Pt. Nehru and their whole life struggle for freedom, unity, and progress of the country. Today, unfortunately, facts are misleading on social media. The condition of the country's economy is odd in the situation. Policymakers meeting at the center should work to improve the situation. Medical Minister Dr. Raghu Sharma inaugurated the development works at Janardan Rai Nagar Rajasthan

Vidyapeeth Haribhau Upadhyay Women's College in Ajmer. He said that in the present condition of the country, the youth should learn from the lives of great men like the first Prime Minister of the country, Shri Jawaharlal Nehru, Shri Janardan Rai Nagar and Shri Haribhau Upadhyay, Nehru Ji spent 12 years of his life in jail. Pt. Nehru made the country economically, socially, educationally and technologically prosperous as Prime Minister. The present form of the country is due to the sacrifice of our mass heroes. He said that today people are being misled by twisting facts and history through social media. Youth should avoid such misinformation. The country faces the challenges of the economy, unemployment, and other challenges. Policymakers sitting at the center should focus on resolving these problems. Dr. Sharma said that the development of society is possible with the empowerment of women. Former Prime Minister Shri Rajiv Gandhi amended the Constitution to provide reservation to women in Panchayati Raj and civic bod-

ies. UPA President Smt. Sonia Gandhi is also making efforts for 33% reservation in Parliament and Legislative Assemblies. The state government is working seriously for the upliftment of women. The Medical Minister said that Rajasthan is the first state in the country which is going to give the right to health to more than 7 crore population. Our medical especially free medicine and screening scheme is the top in the whole country. Action will be taken against any doctor in any hospital if he writes medicines outside the hospital.

National Secretary Shri Dheeraj Gurjar said that society will progress only with the advancement of women. Only an educated society moves forward. He urged the Medical Minister to remove the problems of the college.

The Kul pramukh & chancellor of Rajasthan Vidyapeeth, B. L. Gurjar informed about the progress of the institute in his speech he stressed the need the all-time development of women in society while paying floral tribute to Haribhau Upadhyay, he said that his vision to the upliftment of women is inspired with Gandhiji. Gurjar raised the issues of drinking water, financial support, and civic amenities for Hatundi, later minister announced to resolve Gurjar shared

in brief about Hari Bhau

"Hari bhau was born in 1892 at Bhaurasa village in present-day Dewas of Madhya Pradesh. In 1952, he was elected to the Ajmer Legislative Assembly from Shrinagar constituency as an Indian National Congress candidate and became the Chief Minister of Ajmer state from 24 March 1952 to 31 October 1956.

He was elected to the Rajasthan Legislative Assembly in 1957 from Kekri constituency and served as the Finance minister in Rajasthan government from 1957-62. He was re-elected to the

Rajasthan Legislative Assembly from the same constituency and served as the Education Minister in Rajasthan government from 1962-67. He was awarded Padma Bhushan in 1966. He died on 25 August 1972."

Vice-Chancellor Prof. S.S. Sarangadev welcomed guests and hatundiries for their support and presence. Several dignitaries including former MLA Mahendra Singh Gurjar and Ramnarayan Gurjar were present on the occasion.

The Medical Minister also offered

Haribhau Upadhyay Women's College and village in his tour of Hatundi. The college administration demanded water from the Baisalpur line.

Dr. Sharma instructed the departmental officers on the spot to start work immediately by making proposals. Similarly, on the demand for a 100 ft road in the village, he asked the officials of the department to start work.

On the demand of Anganwadi center in the college, he said that action will be taken after consulting the officials of the state and central government.

## LIGHT HOUSE OF AYURVED SINDHI BAZAR

**Udaipur: (Ashok Mathur)** It is mainly due to the total commitments, firm determination, deep concern for the Welfare of the sick and innovative ideas of Vaidya Shobha Lal Audichya that the small-government Ayurvedic AUSHADHALAYA in Sindhi Bazar established in 1967 has become a role model for all the other hospitals in the state of Rajasthan.

Entering it through a glass door like a private hospital, it is difficult to believe that this three-story building has all the facilities like space for daily yoga practice, all kind of Panchakarma, modern gadgets, invert, RO etc

One is welcomed by smiling faces of the highly devoted supporting staff meeting the cheerful young Vaidya Audichya who listens patiently to the problems of the patient in a highly assuring experience in itself. Most of the medicines prescribed why him on the basis of his Long and rich experience are available free of charge. Some others are provided by the medicines Bank set up by him. He also recommends yoga exercises. In the waiting, hall are displayed posters showing ways of preventing and curing different diseases. The bank has distributed medicines worth over 15 lac.

The day here begins at 5:15 with prakitik chikitsa and yogic exercises done by an average of over one hundred person every day under expert guidance. Person from outside Udaipur also participate.

Looking at the fast increasing number of diabetes patients, on the first Saturday of every month, is held special camp. The 150 camps arranged so far have benefited it over 30,000 patients and the number is increasing repeatedly. It is proposed to provide free medicines for one month to all the patients. In addition to this 5 special campus are organized on every

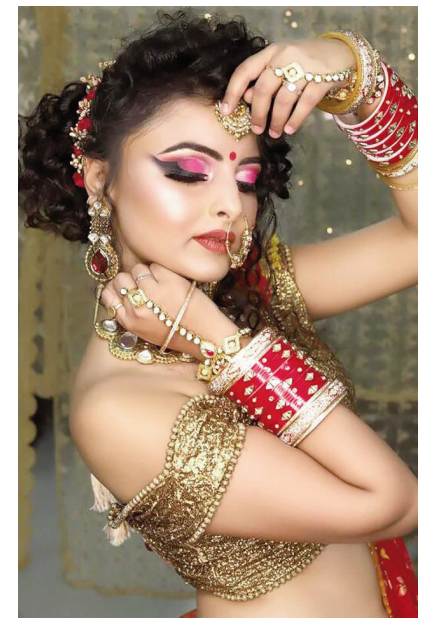

Wednesday for patients of Thyroid, Stone, Migraine, Infertility, Acidity, Joint pain, etc.

Audichya has also enthused patients who have already been cured to hold shradhanjali chikitsa Shivir in memory of their departed relatives in over 100 such campus since 2003 over 3 patients have been treated.

Audichya has also organized over 50 medical campus in the remote terrible areas for the benefit of those who have no medical facilities. He also visits ailing Sadhu Saints in remote and distant areas in Rajasthan and even other states.

He participates actively in activities related to the promotion of Ayurved by delivering talks in Schools, Colleges and other workshop etc. So also in state level yoga Mela, International Yoga Diwas blood donation camps etc. He got planted thousands of Neem Giloy trees during the last monsoon season. No wonder for his commendable work, he has been honored with 60 kinds of awards by a different organization including district and state governments.

## Nishi San shortlisted for Miss India Quintile Final

**Banswara:** Nishi Miss, a resident of the city's Bahubali Colony of Banswara, has been the runner-up in Rajasthan and is now going to brighten the name of Banswara by showing her skills at the national level. In a press conference held on Thursday in the constellation mall auditorium of the city, she said that

Banswara is a small town and the parents here do not want their daughter to go into the fashion industry but it all depends on our thinking. We have to change our thinking and try to achieve our goal by staying with good people. She said that if the talents of our people are provided with a proper platform, then they can bring their name to national, international level. On this occasion Nishi's mother Mrs. Pushpa Saini and father Dr. D.P. Saini, Gokulprasad Vishwakarma, Krishna Vishwakarma, Pranav Pandya and a large number of media persons were present.

## Nishi is brought up in Banswara

Nishi told that she is grown up in Banswara itself, so the girls here have moved forward, with an aim to enter the fashion industry. He said that he did his schooling from St. Paul's School, while he did his graduation from Rajasthan Agricultural University, Udaipur and Post Graduation from Bhopal. She is still studying, she had to do PhD, but due to this event she has dropped one year, next year she is going to complete PhD.

## Congress dominates in election of local body chairpersons

**Udaipur Division Local Body Elections | Congress heading the Board in Local elections in 3 constituencies, BJP in 2**

**Udaipur:** BJP candidate Govind Singh Tak is new Mayor of the Udaipur Municipal Corporation. Govind Singh Tak received 46 votes, which was 2 votes more than BJP councillors elected in the UMC elections, the results for which were declared on 19 November. Congress candidate for the seat of Mayor, Arun Tak, received 20 votes, which is equal to the number of seats that the Congress won in the said election. 3 of the winning candidates did not cast their vote and one selected NOTA. The Congress candidates were elected as heads of 35 civic bodies, while the BJP contestants won in 13 seats and an independent in one. The ward councillors elected chairpersons in 46 local bodies, situated in 24 districts, on Tuesday, as the chairpersons in three civic bodies — Makrana Municipal Council and Rupbas and Nimbahera

municipalities — were earlier elected unopposed.

Abhijit Kumar of the Congress, who unsuccessfully fought the 2019 Lok Sabha election, was elected Mayor of Bharatpur Municipal Corporation. BJP's Sushila Kanwar and Govind Singh Tak won as Mayors of Municipal Corporations in Bikaner and Udaipur, respectively. Among the 17 Municipal Councils, the Congress candidates were elected chairpersons in 13, the BJP in three and an independent in one.

The Congress candidates won as chairpersons in 21 of the 29 municipalities and the BJP candidates in eight.

In the municipal election held on November 16, the Congress had obtained a clear majority in 20 local bodies, while the BJP's majority was confined to six. Prior to the election, the Congress and the BJP controlled 21 municipal bodies each and the remaining seven were with

## Govind Singh Tak is new Mayor of MCU

others.

Pradesh Congress Committee president Sachin Pilot, who is also the Deputy Chief Minister, said the election results had proved that the people in the State

were "fully satisfied" with the government's performance. "The Congress party is actively working for extending the benefits of welfare policies to the masses. Our chairpersons and councillors will work hard for development of urban areas."

## National Constitution Day Celebrated in Ryan

**Udaipur:** Under the vision "Education" of our Respected Chairman Sir Dr. A.F. Pinto, Students participated, observed and witnessed an enlightening session on the topic "Framing of Indian Constitution". It was an interactive session where the students learnt about the framing and execution of Indian Constitution.

## Selection of MMVM's Paridhi Sethi and other students at the state level

**Udaipur:** District Office of Science and Technology organized a district level project presentation on "Science, Technology, and Innovation for a Clean, Green and Healthy Nation" under

the National Children's Science Congress. In which two student groups of Maharana Mewar Vidya Mandir was selected at the state level. Paridhi Sethi and Tanishq Jain, the first party's, "Mobile, TV And the side effects of computer vision" and the second party's luminaries Dixit and Manas Jain selected the reports presented on the subjects "Preserving food items and using them for livelihood". These teams worked under the direction of the school's science teachers Deepa Singh Solanki and Bhavna Kumawat.

Now both these groups will represent Udaipur in the state-level competition to be held in Jodhpur. Paridhi Sethi's mother Dr. Anjali Sethi and father Dr. Deepak Sethi said that if children are interested in science from the beginning, then they can make good progress in this direction in the future. The headmistress of the school, Smt. Jhumar Gehlot said that they were selected for these presentations in view of children's interest in science, and I hope that they will be selected at the state level and also brighten the name of the school.
