## Organizing a meeting with the Managing Director of Electricity Department (Ajmer Division) in U.C.C.I.

**Udaipur:** "The Vidyut Nigam is going to implement such a system so that the electricity consumption of each consumer can be monitored from the office of the corporation itself." The above information is shared by Mr. N.S. Nirvana in U.C.C.I.

A discussion meeting was organized by the Udaipur Chamber of Commerce and Industry in the auditorium of the Chamber building on issues and problems related to the distribution of electricity for industrial and commercial use. Managing Director of Ajmer Vidyut Vitran Nigam Limited, Shri N.S.N.S. Nirvana was the chief guest at the event, and A.V.V.N.L. Senior Engineer Mr. Girish Joshi was the special guest in the program.

The chief guest of the program Shri N.S.N.S. Nirvana said in his address that whether it is a rural area or an urban area, electricity has become essential for everyone today. This is the reason that the state government is working on a plan to achieve complete self-reliance in the power sector through nuclear power, thermal power, wind power, solar power, etc.

Shri N.S.N.S. Nirvana suggested the officers of A.V.V.N.L. provide better services in the direction of attracting more and more industrial investments in the state. Shri Nirvana stressed organizing regular meetings to solve the problems. Shri Nirvana said that the working of A.V.V.N.L. is constantly changing, and the corporation is working on the lines of a private institution through transparency and commercialization of services.

At the beginning of the program, the President of the Chamber, Mr. Komal Kothari, while welcoming the officers of A.V.V.N.L. to the chamber, gave a brief description of the problems related to the power supply of the industries. Shri Komal Kothari laid the issues related to maintenance of power supply lines, the problem of power tripping, central ring system should be implemented instead of closing the entire line for repair, simplification of electricity bill, fuel surcharge, the proposed increase in electricity charges, etc. The special guest of the program was the Managing Director of A.V.V.N.L., Shri N.S.N.S. In his address, Nirvana said that A.V.V.N.L. endeavors to provide excellent services on the lines of a private institution under a fixed and time-bound program.

During the question hour, the representatives of various industry associations, entrepreneurs, and business people in the program were discussed and tried to solve them.

In this deliberative meeting, office bearers of Marble Processor Committee, Kaldwas Chamber and Mr. Hansraj Choudhary, Mr. Vijay Godha, Mr. Anil Mishra, Mr. G.S. Sisodia, etc. members participated. The program was conducted by the Honorary General Secretary, U.C.C.I., Mr. Sandeep Bapna.

## Anthropometric Kit Distribution Ceremony at Kaya by Hindustan Zinc

**Udaipur:** District Collector Tarachand Meena said that the Khushi Project of Hindustan Zinc is doing commendable work for the overall development of children. He said that an amount of 4.50 crore is being sanctioned in the district to develop Anganwadi centers. If Sewa Mandir and Hindustan Zinc take the initiative to convert 3200 Anganwadi centers into Nandghar, then the government will give 50 percent assistance in this work. The children who are not going to the Anganwadi center will have to be connected and take better care of the quality. That would be the best effort of the Happiness Project. He expressed this view as the chief guest at the anthropometric kit distribution function organized in Kaya on Monday under Hindustan Zinc and Sewa Mandir. Kits were distributed to Anganwadi operators by the guests in the program.

In the program, Chief Director of Sewa Mandir Raunak Shah said that Jhadol and Kotra are challenging areas where Sewa Mandir is working under the Khushi project of Hindustan Zinc. A particular interest of the District Collector has been seen in these places. In such a situation, the work of the Khushi Project can be made even better with the efforts of the District Administration Hindustan Zinc and Sewa Mandir. Anupam Nidhi, Head C.S.R., Hindustan Zinc, detailed the Anganwadi project. I.C.D.S. Deputy Director Pushpendra Singh Shekhawat, Renu Tiwari from Sewa Mandir, Ganga Devi Sarada, and Elaichi Devi also addressed the program.
