

2022 FT Global MIM Rankings: IIM Udaipur Only 2nd IIM To Be In The Prestigious Global Rankings Consecutively For 4 Years

•IIM Udaipur and IIM Bangalore are the only 2 IIMs to be in prestigious Global Rankings consecutively since 2019

•IIM Udaipur continued to be the youngest B-School in Asia in the Global FT MIM Ranking 2022

•Only four IIMs were listed in FT Master in Management Ranking 2022- IIM Bangalore (31st position), IIM Lucknow (64), IIM Udaipur (81), and IIM Indore (89)

The Indian Institute of

Management Udaipur set an unparalleled benchmark in education by featuring in the prestigious FT Masters in Management 2022 Global Ranking at the 81st Rank for its two-year MBA program. The FT MIM ranking 2022 lists the top global colleges in management education, wherein in the top 100, only four IIMs were featured - IIM Bangalore (31st Rank), IIM Lucknow (64 Rank), IIM Udaipur (81 Rank), and IIM Indore (89 ranks), respectively. Established in 2011, IIM Udaipur is the

youngest of all IIMs that made it to the Top 100 Ranking. What makes IIM Udaipur even more unique and notable is that it is only the 2nd IIM along with IIM Bangalore to be consecutively in the prestigious Global Ranking for the 4th Year, i.e., since 2019.

Going from 13.2 lakhs to 17.8 lakhs, IIM Udaipur has witnessed a massive 35 percent jump in the average salary offered in 2022, highlighting the industry's belief in the talent graduating from the young IIM. The FT Ranking MIM is

based on 16 criteria from the following categories: Career Progression, Diversity Assessment, International

Opportunities, Programme Assessment, and General. One of the most-highest weightage criteria was Career

Progression, with a career service Rank of 13. It is noteworthy that IIMU is also the youngest B-School featured in the Masters in Management (MIM) QS World University Rankings 2022, along with the University of Sydney Business School. Similarly, based on research that has been published in prestigious international publications, the UT Dallas India Ranking has ranked IIMU as the 4th best business school in India. Since its inception, IIM Udaipur has set a twin goal of high-quality research and a

transformational learning experience for future business managers and entrepreneurs who will become tomorrow's leaders. On the FT Global 2022 MIM Ranking achievement, Mr. Pankaj Patel, Chairman, IIM Udaipur, said, "We are thrilled to hear this news. These rankings affirm that IIM Udaipur will attain greater recognition as a leading global management school, as envisaged in our Vision 2030". Prof Ashok Banerjee, Director, IIM Udaipur, said, "I am delighted to receive this news of Global Ranking

as I take over as the Director of the Institute. The two key pillars of IIM Udaipur's vision 2030 are high-caliber research-focused faculty and student transformation. IIMU concentrates on improving each student's learning and transformation experience. IIM Udaipur's alumni have already established a unique place for themselves across industrial domains and geographical locations. We will soon see them in leadership roles and unique entrepreneurial ventures".

Emerging Legal Issues - 2022 brainstormed in a two-day law workshop

Jaipur: The two-day Government of India lawyers workshop concluded with the presence of High Court Judges and Additional Solicitor General of five states.

In the program, Rajasthan High Court Acting CJ M M Srivastava, Gujarat High Court CJ Arvind Kumar, and Solicitor General of India Tushar Mehta were present in the inaugural session. More than 300 Indian government lawyers from Rajasthan, Gujarat, Maharashtra, and Goa

And Madhya Pradesh attended the conference. Took part.

On the second day of the

workshop, Justice Ashok Kumar Gaur of Rajasthan High Court, Justice MS Karnik of Bombay High Court, and ASG Devang Vyas of Gujarat High Court participated on the topic of development and impact of various aspects of the legal field.

On the second day of the workshop, Justice Ashok Kumar Gaur, Judge of Rajasthan High Court, on the topic "Role of Technology," said that at present, the number of pending cases is increasing in the country, it can be reduced by the use of tech-

nology.

He said it is imperative to change with the times; when he came in the early days of advocacy, the typewriter was used. Still, these days the computer has replaced the typewriter; now, any written on a computer can be written many times. Change and print can also be taken by saving time, but this facility was not available in the past, so technology holds an important place in a person's life. Civil rules should also be changed for this to record his statement. He also talked about promoting Artificial

Intelligence.

He said that praising the e-portal for e-challan started in Rajasthan, he said that it would benefit the common people, justice would be accessible faster, and the pendency of cases would come down.

Chief Justice of Rajasthan M M Srivastava congratulated the organizers on the successful completion of the workshop.

Justice Srivastava also emphasized promoting the use of technology in the judiciary and said that we should be updated with technology.

The workshop coordinator, Additional Solicitor General RD Rastogi, while expressing gratitude on the occasion of concluding, threw light on the glory of Mewar.

ASG Rastogi said that this workshop was organized for the first time in West Zone. Three technical sessions were scheduled for two days in the workshop. Rajasthan High

Court Judge Sandeep Mehta, Madhya Pradesh High Court Judge Anand Pathak, and Bombay High Court ASG Anil Singh attended the session on White Collar Crime on the first day. After this, on the Role of Advocate in Nation Building and National Security, Judge Vijay Vishnoi of Rajasthan High Court, Judge Anirudh of Gujarat High Court, and ASG Rastogi of Rajasthan High Court attended. ASG Anil Singh in Bombay High Court, co-convenor of the workshop, said that on the last day of the seminar, Justice Ashok Kumar Gaur of Rajasthan High Court, Justice MS Karnik of Bombay High Court, Justice PK Kaurava of Delhi High Court on the topic of development and impact of various dimensions of the legal field. Along with ASG Devang Vyas of Gujarat High Court. Additional Solicitor General of India Raj Deepak Rastogi said a detailed report of the matters discussed in this confer-

ence would be submitted to the Central Government. It was inaugurated by Union Law Minister Kiren Rijju and Union Minister of State for Law SP S Baghel this Saturday. Additional Solicitor General of India Raj Deepak Rastogi informed that a detailed report of the matters discussed in this conference would be submitted to the Central Government.

In the workshop, the Additional Solicitor General of India Rajdeepak Rastogi suggested before the CJ that the National Informatics Center (NIC) facility should be given to the lawyers of the Government of India so that they can get updated information from the Integrated Portal. In the workshop, the speakers also suggested that an academy for the upgradation of advocates was indicated on the same lines as there is an academy for civil services,

The era of pleasant changes begins in Sahitya Akademi

Udaipur: "Sir, Madhumati is subscribed, but it does not reach home on time... Answer - don't worry, now this postman will deliver door to door..." Similarly, Saharan responded to a complaint received on Facebook and complained about Instructions for speedy disposal. Diagram Saharan, the newly appointed President of Rajasthan Sahitya Akademi,

started working with complete dedication, vision, enthusiasm and planning as soon as he took charge, due to which the pace of the Academy has also increased manifold. As soon as he took over as the President of the Academy, Saharan announced that the Akademi would honor the litterateurs who had spent their lives in the creation of literature. No one would return disappointed

from the Academy. The Akademi also started taking steps in this direction. Every day new changes are being seen in the Academy due to the efforts of Saharan.

Sahitya Akademi will reach village to village - Saharan has said that the scope of the Academy will no longer be limited, the Academy will go from city to city and village to village, and its results are also visible. Recently, Saharan reached the civic reception and honor ceremony organized in Jodhpur, where he called for convening a conference of young and senior litterateurs of Jodhpur. Apart from this, on the 80th birth anniversary of Mani Madhukar, organized in Bikaner, he also participated in the 'Rang Smaran' program as President, discussed with the litterateurs, and got to know the problems.

Academy will also give a platform to budding articles - Saharan told on these occasions that the Academy would provide a platform for the budding articles. He has also started formal action at a fast pace to effectively implement the publication, grant, and award schemes of the Academy. Under the aegis of the Hindi department of Rajasthan University, I attended the seminar on Rangeya Raghav and hospitalized Raghav's elderly wife, Dr. Sulochana Raghav. This announcement was also made to establish Rangeya Raghav Peeth at Rajasthan University.

The number of members of Madhumati started increasing every day - Saharan has given instructions to prepare a 365-day plan so that literary activities can be encouraged by organizing academic activities regularly. Saharan has also started from day one to increase the membership of Madhumati, a monthly magazine published by Rajasthan Sahitya Akademi. By running a 'white paper series' through Facebook and other mediums, he expressed concern over the decrease in the number of members of Madhumati and appealed to the general public to become a member of Madhumati by contributing. As a result, due to his appeal, there has been a sudden increase in the number of members of Madhumati, which is continuing. Meanwhile, one or two members complained to Saharan on Facebook that Madhumati did not reach on time. Saharan instructed the officials that this magazine should go to every customer on time. He has also started efforts to make schools and colleges a member of Madhumati. The exercise to resume the discontinued awards has also been intensified. Diagram Saharan says that today I am a 'Kangura' of the grand, proud, and big 'building' of Rajasthan Sahitya Akademi. Our robust people like Janardan Rai Nagar, Haribhau Upadhyay, and Prakash Atur have been expended and have done their work. The belief of the Academy has been assigned the pinnacle. He said that the Akademi would take full advantage of all the means to take the work done so far and the work being done to the common man, to our litterateur sitting in village-Dhani, town-city, city-metropolitan area. We will personally go and do 'Samvad' in every district.

Saharan is a fan of Chief Minister Ashok Gehlot - Saharan has appreciated the working style of Chief Minister Ashok Gehlot on many occasions and is appealing to the people to take advantage of his schemes. Recently, praising the Indira Gandhi Urban Employment Guarantee Scheme, launched on September 9th, has described it as an unprecedented step.

FIR registered against 11 accused for theft of company data

Udaipur: An FIR has been lodged against 11 people at Pratap Nagar police station in connection with the theft of data from Fusion Business Solution Private Limited Company's office in Udaipur Maddi Industrial Area. Chandrashekhar Yadav has been told as the main mastermind in the case of data theft. Yadav was working in this company.

The company's director Shweta Dubey told in a press conference on Saturday that Chandrashekhar Yadav used to work in her company and was also the most trusted. Still, due to the shortcut to success and some greed, he moved to Udaipur. To whom he sold data, Rahul Chhabria's company, Virtual Beans, conspired to steal data. In the investigation, the company to which he sold the data has also got that data. She said that the client whose data was stolen was from the US. This data theft incident caused a loss of crores to Fusion Business Solution Pvt Ltd. She said that although the police administration is investigating this, its truth will come out soon. Those who are involved in this conspiracy will also be exposed. After this incident, to keep the data safe in the company, strict measures have been taken to protect the data. This will reduce the chances of data theft. To get success in business, one has to climb a ladder. Kuldeep Bhatnagar, Chief Finance and Marketing Officer of Fusion said it takes a lifetime to build a business. Still, young entrepreneurs who start their new companies try to succeed through shortcuts, which is wrong.

Fusion is a huge company that operates in about 15 sectors, including Insurance Bank, and keeps data safe by collecting data from different sectors. Be it any company, it builds its credibility and grows on the trust of its employees. If an employee does wrong work under any greed, he is harmful to the company and creates a lot of trouble for his family. Shweta Dubey urged the youth not to play with their future by falling prey to the temptations given by other companies.
