Janta Sena Rajasthan: handed over the memorandum

In the memorandum submitted to the Chief Minister, it was said that despite the passage of 4 years after the Congress manifesto, providing uninterrupted 6 hours of electricity to the farmers, waiving the farmers' loans, and supplying food electricity is incomplete. If done, the electricity and agriculture office will be gheraoed.

Bhinder said that the farmers are deeply hurt and upset as they are not being given connections even after one year after submitting the electricity demand. There is a fight between food and seeds, and the prices of diesel and petrol are also beyond the reach of the farmers.

Udaipur: Janata Sena Rajasthan President Randhir Singh Bhinder and other senas officials have expressed their displeasure over the non-implementation of the farmers' problems mentioned in the manifesto to the Chief Minister of the state, Ashok Gehlot, warning that there will be no quick solution to the issues listed in the memorandum.
