

Double sweep for Hindustan Zinc, wins ‘Masters of Risk Jury Award in Metals & Mining and ESG Specialization’ at India Risk Management Awards

• The company follows a vigilant risk management system and encourages the reporting of risks via digital interventions

• Hindustan Zinc is consistently focused on ensuring regular mapping and mitigation of all risks that could potentially impact their business

Udaipur: Hindustan Zinc, India's only and the world's second-largest integrated zinc producer received the "Masters of Risk Jury Award in Metals & Mining and ESG Specialization" at the 9th edition of India Risk Management Awards during the award cer-

emony in Mumbai. The award was received by Sandeep Modi, Chief Finance Officer Hindustan Zinc and Rohit Sarda, Chief of Internal Audit & Risk Management Hindustan Zinc by Mr K.V. Kamath (Chairman NaBFID).

On this occasion, Mr. Arun Misra, CEO said "Risk management & mitigation is an important aspect of Hindustan Zinc's business operations which is based on a highly transparent system in which teams at all levels are encouraged to report any type or category of risk via online reporting platforms. This award is a testament to our systems and

processes in place to mitigate risks and ensuring smooth operations, people management & compliance framework with a top to bottom man-

agement approach."

The India Risk Management Awards recognize the organizations and teams that have significantly

contributed to the understanding and practice of risk management. As a responsible corporate, Hindustan Zinc is committed to effective risk management, which is critical to the success of the company's business.

The company focuses on ensuring regular mapping and mitigation of all risks that could potentially impact its business. Hindustan Zinc has transformed the Risk Management program by enhancing risk identification, assessment, mitigation and monitoring process through digitalized platform in the SAP module which has created a risk intelligent culture

across organization. Risk management is embedded in their culture and employees are encouraged and empowered to report risks through digital solutions, including the SAP risk management module.

Hindustan Zinc adheres to a strict Code of Conduct and encourages reporting of irregularities through the whistle blower mechanism. The company has also been the recipient of ISO certifications in Business Continuity Management, Security Management Systems along with Masters of Risk in Fraud Prevention & Ethics Management.

Citizens should take maximum benefit of dearness relief camps: Mr. Gour

Shri Ganga nagar: Ganganagar MLA Mr. Rajkumar Gaur said citizens should use dearness relief camps run by the state government. The person eligible for the scheme must take advantage of that scheme. For this, go to the camp and get registered.

Mr. Gaur was speaking on Wednesday at a camp organized for the citizens of Ward No. 3, 4, and 5 at Ramnagar Temple in Bharatnagar. He said that even if any citizen has a severe illness, there is a provision of up to Rs 25 lakh under the Chief Minister Chiranjeevi Health Insurance Scheme. In case of accidental death of the head of the family, provision has been made to give an amount of Rs 10 lakh under the Chief Minister Chiranjeevi Accidental Insurance Scheme. He said that the government had provided relief due to the high price of LPG. Eligible families will be given LPG gas cylinders for Rs.500. Annapurna kits will also be given to the registered citizens.

Mr. Gaur said that the government had increased the pension, which was Rs.500 or Rs.750, to Rs.1000 per month. He said that with the government's organized registration camps, every family would benefit from Rs.5 to 6 thousand per month. In domestic electricity connections, instead of 50 units subsidy, now 100 units will be given. Urban NREGA scheme has been started to employ the citizens in the city, in which 125 days of employment will be provided. With this scheme and making the cities clean, painting works are being done.

The government has also started the Chief Minister Kamdhenu Bima Yojana to give relief to the cattle rearers, in which a provision has been made for assistance in case of the animal's death. During Covid-19, the children of the affected families have also been taken total care of by the government.

SDM Mr. Manoj Kumar Meena, Municipal Council Commissioner Mr. Vishwas Godara, Mr. Prem Nayak, and other dignitaries were present.

Northern Railway won the All India Railway Cricket Women's Championship

Shri Ganga nagar: Shri Shobhan Choudhury, General Manager, Northern Railway, felicitated the winning players of the 33rd All India Railway Cricket Women's Championship team at Baroda House, New Delhi.

Recently, the 33rd All India Railway Women Cricket Championship was organized by Patiala Locomotive Works Sports Association at PLW Cricket Stadium, Patiala, from 10th to 16th April. The women's cricket team of Northern Railway won this Championship.

Total 8 teams from Zones/Units of Indian Railways participated in this Championship. Many eminent and international cricket personalities like former Indian captain Mithali Raj were in this Championship.

The final match of this Championship was played between Northern Railway and North Central Railway. Playing first, North Central Railway scored 195 runs losing 9 wickets in 50 overs. Northern Railway crossed the target in 44.5 overs with the loss of 8 wickets to win the Championship.

The General Manager of Northern Railway congratulated the women's cricket team and motivated them to achieve similar success in the future also.

Regional Research and Extension Advisory Committee Division IV-A meeting

Udaipur : The meeting of the Regional Research and Extension Advisory Committee Division IV-A was organized in the auditorium of the Directorate of Research at the Agricultural Research Center, Directorate of Research, Udaipur.

Director Research Dr. Maharana Pratap University of Agriculture and Technology, Udaipur. Addressing the meeting, Arvind Verma said that this meeting had made an essential contribution in discussing the problems of the farmers with the scientists of the university and, after researching these problems, again giving information to the farmers through the Agriculture Department. Dr. Verma said

that after the Green Revolution, there had been a profound change in agricultural techniques, especially in seeds, machines, and remote-operated processes.

He said that in the last decade, the technology transfer gap was more, but now the technology transfer is happening faster due to more awareness among the farmers. He said that sustainability could be brought into agriculture with the help of new techniques.

Dr. P.K. Singh, Dean of the College of Engineering and Technology, said that scientists should research the basis of farmers' problems to get maximum benefits. He stressed better coordination and mon-

itoring of all scientists and government officials. At the same time, he emphasized that agricultural mechanization should be promoted in the first-line performance. This will help in the proper transfer of technology for farm mechanization.

Dr. R. A. Kaushik, Director of Extension Education, said women are essential to agri-

culture. Emphasis is being laid on technical dissemination by promoting self-help groups and farmer groups and organizing specialized training by Krishi Vigyan Kendras.

In this meeting, Regional Research Director Dr. Amit Trivedi Addressed the meeting, gave information about various projects in the university,

and highlighted the agro-climatic conditions and new research techniques of Agriculture Division IV A.

In this meeting, the Additional Director of Agriculture Department, Bhilwara, Dr. Ram Avtar Sharma and Joint Director Horticulture, Bhilwara and Joint Director Agriculture, Bhilwara, Joint Director of Agriculture Chittorgarh, Rajasmand, and other officers and scientists of MPUAT participated.

At the beginning of the meeting, Dr. Ram Avtar Sharma, Additional Director, Agriculture Department, Bhilwara, gave detailed information about the distribution of rainfall, area sown, and the productivity of different crops

in the last Kharif. He presented the problems faced by various crops in the division during Kharif 2022 and requested that the scientists suggest solutions.

Dr. Mahesh Kothari, Director, Directorate of Planning and Supervision; Dr. Manoj Kumar Mahla, Director, Student Welfare Officer; Dr. B.L. Baheti, Director, Residential and Guidance and Dr. B. Of. Sharma, Dean of the College of Fisheries, also addressed this.

In this meeting, the research and extension work done by various scientists and officers in the last Kharif was presented, and recommendations were issued for adoption by the farmers.

Rainwater harvesting system

Udaipur: In Government Primary School, Ambatalai, Panchayat-Sulawas, P.S. Kurabad, Hastimal Bafna Charitable Trust Ambavgarh has recharged the tubewell of the school by harvesting rooftop rainwater under the direction of city's water hero Dr. PC Jain.

It will benefit 40 students and about 30 families in the village. Simultaneously, the water sources of Makki Talab, Advaret, and Ambatalai villages, located within about 1-kilometer square feet, will also be recharged.

This will make it easier to plant trees, increase the groundwater level, and eliminate the problem of drying up tubewells in summer.

Many thanks to the local school family trust and Dr. P. C. Jain

The Certificate of Excellence Award honored Bhanu Pratap Singh, Mukesh Madhvani, and Raju Agarwal

Udaipur: He was honored by Krishna Gopal Gupta, State President Rajasthan, in a grand program organized by International Human Rights Protection Organization at Hotel Blue Feather Spa & Salon Udaipur. On this occasion, the state president said in his address that this organization is working with the government and the local administration to bring justice to the state's people in the entire state in the incidents like corruption, women harassment, exploitation, terrorism, and human rights abuses. This organization is working in almost all the districts of Rajasthan state.

On this occasion, all the functionaries of human rights were rewarded for their work.

The certificate was given in the presence of Vallabh Nagar MLA Mrs. Preeti Gajendra Singh Shaktawat, National President Umesh Yadav, and National Vice President of Human Rights New Delhi, Ghanshyam Singh Chauhan. Under the issued notification, on the recommendation of state president Krishna Gopal Gupta, Bhanu Pratap Singh was made state youth president, and Mukesh Madhvani as state in-charge Rajasthan by the national committee and national president.

Udaipur inflation relief camp showing enthusiasm

Udaipur: As per the state government's instructions, people are participating with full enthusiasm in the inflation relief camps being organized in the district and campaign camps along with the administration, villages, and cities. According to the government's intention, every eligible person benefits from the centers organized in various gram panchayats of all bodies and panchayat samiti, including the district headquarters. The administrative officers are also continuously monitoring to make these camps successful.

Under the direction of District Collector Tarachand Meena, all the officers and employees are busy with full promptness for the successful organization of the camp. They are directed to provide benefits. The Collector is taking stock of the arrangements by conducting surprise inspections of various campsites. On Tuesday, the Collector made a surprise inspection of the camp organized in the city's MB Hospital premises, Gandhi Ground, Savina Mandi, as well as the campsites organized in Kurabad block, and after reaching various stalls and taking stock of the arrangements, every eligible person as per the intention of the government. During this, he interacted with the beneficiaries at the campsites. He motivated them to take advantage of this program of government and make others aware through them by taking information about the services they are getting.

The Collector instructed the officers and personnel serving in the camp to ensure necessary arrangements and benefit a maximum number of eligible people within the stipulated time period.

Celebration of Vaishakh music festival

Udaipur: Vaishakh music festival and competition were organized on Tuesday at Arbuda Kala Mandir Sangeet Training Sansthan located on RMV Road under the chief hospitality of Dr. Kamlesh Sharma and Smt. Bhavana Sharma. G. uitar student Megha Agarwal stood first in the competition and was honored by the chief guest on behalf of the institute. Vivek Agarwal, director of the institute, announced a fee waiver for the winners. The award for highest attendance was given to Meet Sharma.

On this occasion, classical music expert Mahendra Kumar Verma, OT in charge of the Cardiology Department Anil Jingar, parents, and many listeners were present. The program was coordinated by educationist and Hindi lecturer Narayan Lal Ameta.

Jaisamand: former MP Meena inaugurated the camp

Udaipur: As per the state government's intention, dearness relief camps were organized at various panchayat samiti headquarters and public places in the rural areas of the district. In these camps, online registration of beneficiaries of various schemes was done, and guarantee cards were distributed.

An inflation relief camp was inaugurated in Jaisamand of the district under the chief hospitality of former MP Raghuvver Meena. Other local public representatives and officers of various departments were present on this occasion. Chief guest Meena distributed guarantee cards to the registered beneficiaries, thanked Chief Minister Ashok Gehlot for this special event, and called upon the villagers to take full advantage of this government campaign.

Here, former upazila pramukh and State Level Bisuka Implementation Committee member Lakshmi Narayan Pandya inspected the camps organized in Bargaon and Kadmal and distributed the Chief Minister's Guarantee Card. Similarly, Zilla Parishad member Kamini Gurjar took stock of the camp organized at UIT of the city and distributed Chief Minister's Guarantee Card after taking information about the relief being given to the beneficiaries. Gurjar also interacted with the women beneficiaries here and called upon them to take advantage of this unique campaign of the Chief Minister. Panchayat committee member Bhuvanesh Vyas, Bargaon sarpanch Sanjay Sharma, former Zilla Parishad member Vidya Sharma, Hiralal Paliwal, Dinesh Audichy, etc. were present in the Bargaon camp.

Similarly, social worker Lal Singh Jhala visited the Suhawaton Ka Guda area of the district and inquired about the activities of the inflation relief camp here. He also distributed the Chief Minister's Guarantee Card to the beneficiaries.

Kota's Sonal Gupta joins the state team of the Aam Aadmi Party

Kota: Given the preparations for the upcoming elections, the Aam Aadmi Party is expanding its team in full swing across Rajasthan.

The party is leaving no stone unturned to strengthen the grassroots workers and the social media team.

In this sequence, Kota's young AAP worker and social worker Sonal Gupta has been appointed Rajasthan Social Media State Coordinator. Sonal took oath on April 25 at the oath ceremony organized by the party in Jaipur.

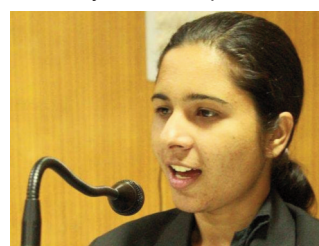

The party has appointed 7 Rajasthan social media coordinators across Rajasthan. Sonal Gupta is the only woman member of the entire social media team and the second member from the Kota division to get a state-level position; before this, Naveen Paliwal was appointed as the state president of Kota itself. This clarifies. The Aam Aadmi Party is taking the Kota district seriously, considering it very important in Rajasthan.

Significantly, Sonal Gupta has been associated with the party since the time of the Anna movement and has also contested the election of corporator from Vigan Nagar in the last corporation elections. After this appointment, Sonal Gupta expressed gratitude to President Arvind Kejriwal, State President Naveen Paliwal, in-charge Vinay Mishra, and National General Secretary Sandeep Pathak.

International Women's Day

Udaipur: International Women's Day 2023 was an event organized by Google Developers Group Udaipur and Women Techmakers Udaipur in association with Third Space as Venue Partner. The event was held on 30 th April 2023 at Third Space, Lake City Mall, Udaipur. The event started with a quick brief

introduction of Google Developers Group, and how it is having a positive impact on the community of developers and technological enthusiasts.

International Women's Day 2023 by GDG Udaipur & WTM Udaipur

Punita Ojha shared her insights on the theme of the event #DareToBe, she shared her own story of the learning journey from which many of the others got inspired and shared their own experiences of how they dared to be unapologetically themselves. She explained how if a task is driven by passion then we can overcome circumstantial traps by challenging our comfort zone.
